Global Public Goods Communication Sónia Pedro Sebastião, Anne-Marie Cotton, 2025-06-06 This book examines the critical role of communication in advancing knowledge and participation in the governance of global public goods GPG Central to any theory of GPG is the role of information as raising awareness requires creating credible messages and narratives The book highlights the importance of agency understanding actors their interconnections and how they negotiate and govern GPG The book argues for a nuanced understanding of democracy suggesting a broader interpretation that prioritizes public deliberation and reflection Key premises include the necessity of institutional legitimacy active citizen participation structured partnerships and transparent communication channels for sustainable development The book underscores that communication is fundamental to change processes sustainable citizenship and the realization of human rights including the right to information and freedom of expression By doing so it advocates for an eighteenth Sustainable Development Goal responsible communication The book will appeal to students scholars and researchers of international relations communication and public policy as well as to policy makers and professionals at international organizations think tanks and NGOs seeking theoretical foundations for communication strategies and stakeholder engagement practices

The Cultural Sociology of Reading María Angélica Thumala Olave, 2022-12-12 This book showcases recent work about reading and books in sociology and the humanities across the globe From different standpoints and within the broad perspectives within the cultural sociology of reading the eighteen chapters examine a range of reading practices genres types of texts and reading spaces They cover the Anglophone area of the United States the United Kingdom and Australia the transnational multilingual space constituted by the readership of the Colombian novel One Hundred Years of Solitude nineteenth century Chile twentieth century Czech Republic twentieth century Swahili readings in East Africa contemporary Iran and China during the cultural revolution and the post Mao period The chapters contribute to current debates about the valuation of literature and the role of cultural intermediaries the iconic properties of textual objects and of the practice of reading itself how reading supports personal social and political reflection bookstores as spaces for sociability and the interplay of high and commercial cultures the political uses of reading for nation building and propaganda and the dangers and gratifications of reading under repression In line with the cultural sociology of reading s focus on meaning materiality and emotion this book explores the existential ethical and political consequences of reading in specific locations and historical moments

Value-creation in Middle Market Private Equity John A. Lanier, 2016-02-17 Value creation in Middle Market Private Equity by John A Lanier holistically examines the ecosystem relationships between middle market private equity firms and their portfolio companies Small business is the job creating engine in the US economy and consequently is a prime target market for private equity investment Indeed private equity backs over six of each 100 private sector jobs Both the small businesses in which private equity firms invest and the private equity firms making the

investments face inter and intra company fiduciary leadership challenges while implementing formulated strategy The architecture of each private equity firm portfolio company relationship must be uniquely crafted to capitalize on the projected return on investment that is memorialized in the investment thesis Given the leveraged capital structure of portfolio companies the cost of a misstep is problematic Individual private equity professionals are typically members of multiple investment teams for the firm Not only may each investment team have its own unique leadership style but its diverse members have to assimilate styles for each team in which they participate relative to a specific portfolio company Acquisitions and their subsequent integrations add exponential complexity for both private equity investment and portfolio company leadership teams indeed cultural integration ranks among the most chronic acquisition obstacles Accordingly the stakeholders of private equity transactions do well to embrace leadership best practices in applying value creation toolbox best practices The perspectives of both the private equity investment team and the portfolio company leadership team are within the scope of these chapters

On Trails Robert Moor, 2016-07-12 New York Times Bestseller Winner of the National Outdoor Book Award Winner of the Saroyan International Prize for Writing Winner of the Pacific Northwest Book Award The best outdoors book of the year Sierra Club From a talent who's been compared to Annie Dillard Edward Abbey David Quammen and Jared Diamond *On Trails* is a wondrous exploration of how trails help us understand the world from invisible ant trails to hiking paths that span continents from interstate highways to the Internet While thru hiking the Appalachian Trail Robert Moor began to wonder about the paths that lie beneath our feet How do they form Why do some improve over time while others fade What makes us follow or strike off on our own Over the course of seven years Moor traveled the globe exploring trails of all kinds from the miniscule to the massive He learned the tricks of master trail builders hunted down long lost Cherokee trails and traced the origins of our road networks and the Internet In each chapter Moor interweaves his adventures with findings from science history philosophy and nature writing Throughout Moor reveals how this single topic the oft overlooked trail sheds new light on a wealth of age old questions How does order emerge out of chaos How did animals first crawl forth from the seas and spread across continents How has humanity's relationship with nature and technology shaped world around us And ultimately how does each of us pick a path through life Moor has the essayist's gift for making new connections the adventurer's love for paths untaken and the philosopher's knack for asking big questions With a breathtaking arc that spans from the dawn of animal life to the digital era *On Trails* is a book that makes us see our world our history our species and our ways of life anew

Violence in Popular Culture Laura L. Finley, 2018-11-09 A comprehensive resource this book reviews current and historical examples of violence in film television radio music music videos video games and novels Despite decades of attention and various attempts to enact legislation that limits violence in American popular culture it remains ubiquitous across films television radio music music videos video games and popular fiction Studies have shown that programs marketed to children are often remarkably violent and that viewing or otherwise

consuming such violence has numerous negative effects on children's psychological health. This book sheds light on the scholarship related to violence in popular culture and compares historical and current examples analyzing popular shows such as Game of Thrones, video games such as Mortal Kombat, young adult fiction including the trilogy The Hunger Games, and more. Not only does Violence in American Popular Culture provide a comprehensive review of the research about the effects of violence in media, but it also offers detailed assessments of violent content in various expressions of popular culture. In addition, it invites readers to compare violence in American popular culture with that globally via entries on violence in popular culture outside the United States. An appendix of additional resources and primary sources gives readers further tools for deepening their understanding of this complex and controversial issue.

Choice & Voice Stephanie Fleck, Jolene Heinemann, 2020-08-15. What we allow our students to read tells them which stories we value and which we don't. Give students the power to develop reading lives that will endure beyond school walls. Collaborative Reader Workshop allows for student choice in reading, writing, and speaking, provides an authentic audience for student work, strengthens academic ELA skills, builds a wider school community of readers, and fosters lifelong reading habits. Fleck and Heinemann offer teachers a clear model to establish this interactive reader workshop model in their classrooms, as well as tools to get them started. Readers will have a reinvigorated excitement about independent reading and justification for its relevance in the classroom.

Unproductive School Choice Debates John Merrifield, Nathan Gray, 2023-05-22. The book explains why we desperately need an Open Education Industry. It clearly defines the term and the confusion about what can and should be done to improve schooling outcomes, and why over 30 years of efforts to improve schooling outcomes has left all 51 US school systems far short of what is needed to engage all schoolchildren in high-value instruction. Because of past education failures, especially poor basic literacy in economic systems, many influential academics and activists have asserted the presence of adequate market forces where key elements of high-performing markets are absent and have become preoccupied with discussion of and development of devastating inappropriate generalizations about findings from studies of narrowly targeted restriction-laden expansions of access to alternatives to traditional public schools. The book compares those to transformational school choice expansions and describes key steps towards the inertia that threatens the future of America as a prosperous and free republic.

Marketing and Social Media Lorri Mon, Christie Koontz, 2020-12-07. Marketing and Social Media: A Guide for Libraries, Archives, and Museums, Second Edition, is a much-needed guide to marketing for libraries, archives, and museum professionals in the social media age. Chapters cover coordinating efforts with the organization's mission goals and objectives, how to do a SWOT analysis and environmental scanning, the use of existing data, as well as issues in collecting additional data, how to identify and involve stakeholders, a 4-step marketing model, considerations of price, placement, product, and promotion, market research, understanding customer groups, and market

segmentation marketing mix strategy and evaluation promotional activities channel selection social media marketing activities content marketing social media policies guidelines crisis communication and evidence based assessment Discussion of social media and examples of social media marketing activities are included throughout the book as well as case study examples of marketing and social media campaigns in libraries archives and museums This second edition further includes a new final chapter offering step by step guidance for brand new social media managers on how to get started from their first day on the job with social media marketing management assessment strategic planning and content calendar planning activities in addition to working with colleagues and managers to integrate social media into work activities across the organization For educators this text includes elements which can be developed into classroom or workshop assignments which include pull quotes highlighting important concepts in each chapter key terms discussion questions illustrative case study examples from archives libraries and museums and an annotated bibliography for further reading

How to Market a Children's Book Karen P Inglis, A practical guide to all aspects of children s book marketing from bestselling children s author Karen Inglis Whether you ve just published your first children s book and aren t sure where to start with marketing or are struggling to increase sales of your existing titles How to Market a Children s Book is here to help Packed full of practical guidance and drawing on over 10 years experience of children s book marketing by international bestselling children s author Karen Inglis it offers a trusted resource for you to return to again and again for support with both offline and online marketing and advertising strategies This book assumes you already fully understand the various self publishing options and distribution processes for print eBooks and audiobooks or that you are a traditionally published children s author looking for new ideas to help promote your book s If you also need guidance on the self publishing process look instead for Karen s combined flagship publication How to Self publish and Market a Children s Book Second Edition After reading How to Market a Children s Book you will understand How to establish your brand locally and why this is important How to get reviews both at and after your children s book launch How to set up successful school visits and other face to face events How to plan and run virtual school visits or other online events Best practice and expectations for getting into bookshops Why and how eBooks should be part of your print book marketing strategy Which tools and collaborative platforms can help your children s book marketing How to use email marketing including staying within data protection rules for minors Key strategies for Amazon advertising and why this is the best place to start Other social media and advertising options including Facebook Instagram and Pinterest Audiobook marketing your key options Translation and foreign rights as part of an advanced marketing strategy Karen Inglis is a successful self published author of picture books illustrated chapter books and middle grade novels Her time travel adventure The Secret Lake has sold over 450 000 English language print copies worldwide close to 20 000 paid eBook copies and over 8 000 audiobooks She has also sold rights to eight countries and overseen its translation into German where Der verborgene See is an Amazon de bestseller at the time of writing in 2022

Each of Karen's picture books and chapter books have sold in their thousands through a combination of school visits, bookshop sales and online sales. Karen's picture book *The Christmas Tree Wish* was shortlisted for the UK Selfies Award for best self-published children's book in 2020. Her most recent picture book *The Tell Me Tree* has received praise by parents and teachers alike and is being used in UK classrooms to help children talk about feelings. Karen has presented on children's self-publishing at conferences around the UK and is Children's Advisor at The Alliance of Independent Authors. [Not Your Mother's Publishing Model - How to Become a Successful E-Published Author](#), **Artificial Intelligence in Marketing** K. Sudhir, Olivier Toubia, 2023-03-13. Review of Marketing Research pushes the boundaries of marketing, broadening the marketing concept to make the world a better place. Here leading scholars explore how marketing is currently shaping and being shaped by the evolution of Artificial Intelligence AI. **Bridget Jones: Mad About the Boy** Helen Fielding, 2013-10-15. NOW A PEACOCK ORIGINAL FILM NATIONAL BESTSELLER. From the author of the bestselling *Bridget Jones's Diary* comes a hilarious and heartwarming novel. Join Bridget on her journey through romantic mishaps, technological misadventures and the joys and trials of modern motherhood as she embarks on a new chapter and learns to embrace herself. Bridget's smart, she's funny, and she makes us all feel like we're good just the way we are. Jenna Bush Hager. *Today Feels like visiting with your funniest friend*. Entertainment Weekly. Sharp and humorous. Snappily written, observationally astute. Genuinely moving. The New York Times Book Review. Fourteen years after landing Mark Darcy, Bridget's life has taken her places she never expected. But despite the new challenges of single parenting, online dating, and wildly morphing dress sizes, she is the same irrepressible and endearing soul we all remember. Though her talent for embarrassing herself in hilarious ways has become dangerously amplified now that she has 752 Twitter followers, Bridget navigates head lice epidemics, school picnic humiliations, cross-generational sex, and learns why one should never ever text while drunk. Studded with witty observations about the perils and absurdities of our times, *Mad About the Boy* is both outrageously comic and genuinely moving. As we watch her dealing with heartbreaking loss and rediscovering love and joy, Bridget invites us to fall for her all over again. **How to Self-publish and Market a Children's Book (Second Edition)** Karen P Inglis, 2021-05-19. An indispensable, easy-to-read resource from international bestselling children's author Karen Inglis. A masterclass all wrapped up in a book. Have you written a children's story that you can't find a home for? Do you need help with your early self-publishing journey or with more advanced children's book publishing and marketing strategies? Are you traditionally published but curious about other options? If you answered yes to any of these questions, you're in the right place. *How to Self-publish and Market a Children's Book (Second Edition)* provides practical, in-depth guidance and key strategies for self-publishing in print, eBooks, and audiobooks, and for selling more children's books face-to-face and online. After reading this book, you will understand how you can self-publish your children's story at little or no cost. Why print matters for children's self-publishing, but why eBooks are also critical for marketing. Why it's important to work with professional children's editors.

illustrators and cover designers and where to find them How to set up successful school visits and other events and how to plan and run virtual events Best practice and expectations for getting into bookshops Which tools and platforms can help with your book marketing including key strategies for Amazon ads and other advertising How to get reviews How to create and market children s audiobooks When and how to approach translation and foreign rights Options for upfront printing and who this is suitable for Where to find other self publishers for ongoing support and advice Self published international bestselling children s author Karen Inglis has sold over half a million children s books in print over 20 000 eBooks and over 8 000 audiobooks Her popular middle grade time travel adventure The Secret Lake is now in translation in nine languages and its long awaited sequel 2022 has received glowing reviews and very strong early sales Karen s picture book The Christmas Tree Wish was shortlisted for the 2020 UK Selfies Award for best self published children s book Her most recent picture book The Tell Me Tree has received praise from teachers and parents alike for helping children talk about their feelings and is being used in UK classrooms As well as writing for children Karen has over 30 years experience as a professional copywriter and writing training consultant Her ability to organise and explain topics in plain English won her praise and over 100 5 star reviews for the first edition of this book This expanded and updated edition for 2021 which now includes virtual events audiobooks foreign editions and detailed advertising strategies as well as more tools and platforms to help with your book marketing will not disappoint One reviewer described the first edition as A masterclass wrapped up in a book We think that pretty well sums up the second edition too With everything together in one place and a comprehensive table of contents to help you quickly find what you need How to Self publish and Market a Children s Book Second Edition provides a powerful ready reference that you can come back to again and again How to Market a Children s Book standalone edition if you understand self publishing If you are a seasoned children s book self publisher and are looking only for marketing support search for How to Market a Children s Book by Karen P Inglis This separate edition also released in May 2021 incorporates the marketing content of the combined book It assumes you fully understand the various self publishing options and distribution processes for print eBooks and audiobooks [Life or Deathocracy](#) D.C.
