Wealth Warrior Linda Garcia, 2023-04-11 This much needed conversational guide to the stock market by a financial expert empowers you to heal money wounds establish financial literacy and make your money work for you Financial educator Linda Garcia breaks down one of the most elusive yet effective financial systems in existence A single mother at a young age Linda struggled to survive As bills and eviction notices flowed in she felt stuck After getting advice from a work friend Linda took the leap and invested two hundred dollars Soon two hundred dollars a month grew to seven thousand dollars then that became a high six figure investment Now she owns her home and is making more money than she'd ever imagined and is ready to help other people of color access stock knowledge and achieve financial success As a proud

Latina Garcia understands that building wealth can mean more than stepping into financial arenas historically kept from communities of color. It may first require getting to the root of our money wounds: the factors and experiences that limit our capacity to feel deserving of wealth and capable of building it. In this investing playbook, she guides you on how to establish a budget, create your opportunity fund, and pay yourself first. She shows you how to analyze a company, choose the right stocks for you, and create a plan to multiply your money. You'll learn what it means to invest, where your money goes, and how to read stock charts. How to assess companies, pick your first stock, and buy your first shares. Tactics to break free from a scarcity mindset and grow your stocks to create life-changing wealth. Complete with an accessible glossary of stock market terms. *Wealth Warrior* is a true primer on how to generate the wealth you deserve. *Accounting Principles* Susan Hermanson, James Don Edwards, Roger Hermanson, 2018-02-28 Thoroughly updated in 2017, 10e builds on the strengths of previous editions and continues to provide a thorough understanding of how to use accounting information to analyze business performance and make business decisions. Uses real companies to illustrate many of the accounting concepts and covers a variety of issues associated with these actual businesses to provide a real-world perspective. Combines solid coverage of financial accounting for business students regardless of the selected major and provides non-accounting majors a solid foundation for making effective use of accounting information. **Principles of California Real Estate** Kathryn J.
