African Women of the Ancient World Katy Clark, 2025-06-30 Discover the untold stories of Africa s warrior queens rulers who defied empires led armies and shaped the

course of history In *African Women of the Ancient World* journey through millennia to uncover the lives of powerful women like Queen Amanirenas who challenged the might of Rome Queen Nzinga Mbande who fought against the Portuguese slave trade and Dahia al Kahina who defended North Africa from Arab invasion These extraordinary women often overshadowed by their male counterparts ruled with unparalleled strategy pride and ferocity navigating their nations through intense battles and radical changes From the great Pharaoh Hatshepsut of Egypt to Queen Makeda of Sheba whose legacy is intertwined with the legends of King Solomon these rulers are the unsung champions of ancient history In this volume Clark brings these remarkable figures to life drawing from excellent sources to illuminate their conquests and reigns A treasure trove for scholars and history enthusiasts alike this book offers a compelling exploration of the women who fiercely defended their lands and people and whose stories are finally being told

Development, Social Change and Environmental Sustainability Sumarmi,Nanda Meiji,Joan Purwasih,Abdul Kodir,Edo Andriesse,Dorina Ilies,Ken Miichi,2021-06-24

Nowadays the concept of SDGs Sustainable Development Goals is starting to replace the concept of MDGs Millennium Developmental Goals It is a global goal adopted by all United Nations member states It emphasizes the idea that the development of every country can only be achieved by balancing other factors such as social economic and environmental sustainability It is already clear how sustainable development works with environmental ethics and management However there are still issues regarding the sustainable development and human well being Sustainable development should focus on finding a way for society to meet their present needs for the long term without sacrificing the ability of future generations to meet their needs This international seminar provides research results and literature regarding the topic of sustainable development concept the dynamics of sustainable development and social change and environmental sustainability The international seminar entitled 1st International Conference on Contemporary Sociology and Educational Transformation listed speakers from several countries providing an overview on human and environmental resilience This book contains a selection of papers presented at the conference

Women in Historical and Archaeological Video Games Jane Draycott,2022-06-06 This volume focuses on the depiction of women in video games set in historical periods or archaeological contexts explores the tension between historical and archaeological accuracy and authenticity examines portrayals of women in historical periods or archaeological contexts portrayals of female historians and archaeologists and portrayals of women in fantastical historical and archaeological contexts It includes both triple A and independent video games incorporating genres such as turn based strategy action adventure survival horror and a variety of different types of role playing games Its chronological and geographical scope ranges from late third century BCE China to mid first century BCE Egypt to Pictish and Viking Europe to Medieval Germany to twentieth century Taiwan and into the contemporary world but it also ventures beyond our universe and into the fantasy realm of Hyrule and the science fiction solar system of the Nebula

Shakespeare's Histories on Screen Jennie M. Votava,2023-06-29 This volume reframes the critical conversation

about Shakespeare's histories and national identity by bringing together two growing bodies of work: early modern race scholarship and adaptation theory. Theorizing a link between adaptation and intersectionality, it demonstrates how over the past thirty years race has become a central and constitutive part of British and American screen adaptations of the English histories. Available to expanding audiences via digital media platforms, these adaptations interrogate the dialectic between Shakespeare's cultural capital and racial reckonings on both sides of the Atlantic and across time. By engaging contemporary representations of race, ethnicity, gender, sexuality, disability, and class, adaptation not only creates artefacts that differ from their source texts but also facilitates the conditions in which race and its intersections in the plays become visible. At the centre of this analysis stand two landmark 21st-century history adaptations that use non-traditional casting: the British TV miniseries *The Hollow Crown* (2012, 2016) and the American independent film *H4* (2012), an all-Black Henry IV conflation. In addition to demonstrating how the 21st-century screen history illuminates both past and present constructions of embodied difference, these works provide a lens for reassessing two history adaptations from Shakespeare's 1990s box office renaissance when actors of colour were first cast in cinematic versions of the plays. As exemplified by these formal adaptations, reappropriations of race in history, non-traditional Shakespearean casting practices are also currently shaping digital culture's conversations about race in non-Shakespearean period dramas such as *Bridgerton*. **Keep on Believin'** Thomas M. Kitts, 2023-07-25 One of America's great rock and roll pioneers, Richie Furay, played alongside Neil Young and Stephen Stills in Buffalo Springfield, producing some of the signature sounds of American folk rock. He went on to form Poco, one of the bands that founded California country rock, and then Souther Hillman Furay. After declaring himself a Christian in 1974, Furay released four solo albums before taking up the ministry in 1983. He began recording again in 1997 and over the next twenty-five years he released two Christian and five secular albums. In this biography of Rock Roll Hall of Famer Richie Furay, Thomas Kitts provides an intimate look at Furay's life and music. Kitts chronicles the musician's upbringing, his musical career, and his Christianity, drawing on interviews with Furay and others close to him. In documenting Furay's extraordinary talent as a songwriter, vocalist, and guitarist, Kitts argues that although he never attained the level of stardom of many of his bandmates, Furay is a pivotal figure in American popular music. Fans of Buffalo Springfield, Poco, and country rock music will enjoy this quintessentially American story of a young man on a quest to fulfill his rock and roll dreams. Managing People in Organizations Thomas Klikauer, 2018-10-06 This new and engaging core textbook offers a unique line manager perspective that presents students with HRM topics and issues that they will be confronted with once they enter the world of work in a managerial role. It is a concise text that focuses on providing students with all they need to know to equip them with a comprehensive understanding of the role the non-HR manager plays in the day-to-day running of an organization. The author's deep understanding and wide-ranging knowledge of the subject matter means that the text is firmly founded on the latest research, while the case studies, topical and international examples, and experiential exercises form a fundamental part of

the book ensure that theory is always clearly applied to real world practice This text is an essential companion for MBA and postgraduate students who are studying modules on Human Resource Management or Managing People but who are non HRM specialists and do not require the exhaustive detail found in other HRM texts It is also suited for use alongside upper level undergraduate modules on these topics on mainstream business degrees **The Routledge Companion to**

Non-Market Strategy Thomas C. Lawton,Tazeeb S. Rajwani,2015-04-24 It is commonplace for today s transnational enterprises to undertake political risk analysis when choosing foreign markets and creating entry strategies Despite this non market elements of corporate strategy are less well researched than the traditional market based perspectives Providing comprehensive and leading edge overviews of current scholarship this Companion surveys the current state of the field and provides a basis for improving our understanding of the non market environment encouraging new insights to improve strategies for enhancing a firm s performance and legitimacy With a foreword by David Baron the international team of contributors includes Jean Philippe Bonardi Bennet Zelner and Jonathan Doh who combine to create a book that is essential reading for students and researchers in business management and politics including those interested in business regulation environmental policy political risk and corporate social responsibility Fatih Akin's Cinema and the New Sound of Europe

Berna Gueneli,2019-01-09 In Fatih Ak n s Cinema and the New Sound of Europe Berna Gueneli explores the transnational works of acclaimed Turkish German filmmaker and auteur Fatih Ak n The first minority director in Germany to receive numerous national and international awards Ak n makes films that are informed by Europe s past provide cinematic imaginations about its present and future and engage with public discourses on minorities and migration in Europe through his treatment and representation of a diverse multiethnic and multilingual European citizenry Through detailed analyses of some of Ak n s key works In July Head On and The Edge of Heaven among others Gueneli identifies Ak n s unique stylistic use of multivalent sonic and visual components and multinational characters She argues that the soundscapes of Ak n s films including music and multiple languages dialects and accents create an aesthetic of heterogeneity that envisions an expanded and integrated Europe and highlights the political nature of Ak n s decisions regarding casting settings and audio At a time when belonging and identity in Europe is complicated by questions of race ethnicity religion and citizenship Gueneli demonstrates how Ak n s aesthetics intersect with politics to reshape notions of Europe European cinema and cinematic history Jukebox Musicals Kristin Stultz Pressley,2025-08-21 What is meant by the phrase Jukebox Musical What does

Crazy for You have in common with Mamma Mia and Moulin Rouge Why do audiences love and critics tolerate Jukebox Musicals Jukebox Musicals explores a style of show that s dominated Broadway for the better part of two decades Through a chronological look at the development of long running hits like Mamma Mia and Jersey Boys this book traces the Jukebox Musical from when it was an exception on Broadway to when it became the rule Examining the origins and reception for ten of these shows this volume offers an exploration of one of the most divisive sub genres of the musical form Published in

Methuen Drama's Essential Musicals series this book is perfect for students of Musical Theatre drawing together different resources to dig into the backstories of Broadway's biggest hits and mining the historical record for nuggets of information that illuminate our understanding and enhance our enjoyment of Musical Theatre's unique brand of magic **Advances in**
