

Matt Reeves' *The Batman*, starring Robert Pattinson, was a needed hit for Warner Bros. So was the studio's *Boyz n the City*, which was the most successful adult-skewing title of the year. Jason Butler plays the band's Chris Freshley.

The performance of the J.L. Rowling spinoff means that there likely won't be a fourth *Fantastic Beasts* movie, even as Warner Bros. hopes to revive the Harry Potter franchise.

The *Bad Guys* was among a string of solid hits for Universal. The CG pics did big business in China, where it grossed nearly \$60 million, while most Hollywood pics were shut out.

Streaming and Copyright Law Lasantha Ariyaratna, 2022-09-05 This book examines the challenges posed to Australian copyright law by streaming from the end user perspective It compares the Australian position with the European Union and United States to draw lessons from them regarding how they have dealt with streaming and copyright By critically examining the technological functionality of streaming and the failure of copyright enforcement against the masses it argues for strengthening end user rights The rising popularity of streaming has resulted in a revolutionary change to how digital content such as sound recordings cinematographic films and radio and television broadcasts is used on the internet Superseding the conventional method of downloading using streaming to access digital content has challenged copyright law because it is not clear whether end user acts of streaming constitute copyright infringement These prevailing grey areas between copyright and streaming often make end users feel doubtful about accessing digital content through streaming It is uncertain whether exercising the right of reproduction is appropriately suited for streaming given the ambiguities of embodiment and scope of substantial part Conversely the fair dealing defence in Australia cannot be used aptly to defend end users acts of streaming digital content because end users who use streaming

to access digital content can rarely rely on the defence of fair dealing for the purposes of criticism or review news reporting parody or satire or research or study When considering a temporary copy exception end users are at risk of being held liable for infringement when using streaming to access a website that contains infringing digital content even if they lack any knowledge about the content s infringing nature Moreover the grey areas in circumventing geo blocking have made end users hesitant to access websites through streaming because it is not clear whether technological protection measures apply to geo blocking End users have a severe lack of knowledge about whether they can use circumvention methods such as virtual private networks to access streaming websites without being held liable for copyright infringement Despite the intricacies between copyright and access to digital content the recently implemented website blocking laws have emboldened copyright owners while suppressing end users access to digital content This is because the principles of proportionality and public interest have been given less attention when determining website blocking injunctions

The Korean Wave in a Post-Pandemic World Geon-Cheol Shin, Mark D. Whitaker, 2023-11-02 This book presents an analysis of how the economic Korean Miracle spread into the cultural Korean Wave Hallyu First only in Asian countries and then around the world the rising popularity of the Korean Wave continued within the pandemic despite or even because of policies of digital lockdowns Partially this has been by design as Korea for decades has had a very strong fast development drive in telecommunications and that aided the growth of its cultural wave Partially however this became exclusively by default how the Korean Wave had to spread increasingly in a digital manner after 2020 globally in response to many countries rules regarding the COVID 19 pandemic in their attempts to enforce a decline in face to face content consumption In retrospect this has meant only more digital growth and innovation for the Korean Wave in past years compared to other cultures entertainment complexes that suffered more Korea s earlier digital readiness combined with later lockdown conditions and pushed the Korean Wave further ahead Despite the ending of COVID 19 lockdowns in many countries a greater digital aftermath will continue in the cultural industry and in the economy in general This is due to changes created in cultural preferences in organizational investments and in communication technologies due to those lockdowns Thus the authors examine how the Korean Wave coped actively with a pronounced digital shift by default in all aspects of media including production distribution and consumption In turn they examine how the greater digital shift in the world s culture and economy influenced the Korean Wave s entertainment performances TV dramas and cosmetics among other areas The authors analyze general trends in the Korean Wave s economics culture and technology along with specific strong cases of the K pop boy group BTS the cosmetics manufacturer Cosmax and the television series Squid Game Since the Korean Wave continues to grow in popularity within a more exclusive digital socialization future implications of such a competitive digital world economy and multi polar digital world culture are discussed for all countries as well

Streaming Top Shows Box Office Usa: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous engrossing novels enthraling the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the fascinating narratives that have charmed audiences this year. Streaming Top Shows Box Office Usa : Colleen Hoovers "It Ends with Us" This touching tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Streaming Top Shows Box Office Usa : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and thrilling novel that will keep you guessing until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
