Travel Fraser A. Sherman, 2017-02-06 More than 400 films and 150 television series have featured time travel stories of rewriting history, lovers separated by centuries, journeys to the past or the often dystopian future. This book examines some of the roles time travel plays on screen in science fiction and fantasy. Plot synopses and credits are listed for films and TV series from England, Canada, the UK, and Japan, as well as for TV and films from elsewhere in the world. Tropes and plot elements are highlighted. The author discusses philosophical questions about time travel, such as the logic of timelines, causality, what's to keep time travelers from jumping back and correcting every mistake, and morality: if you correct a mistake, are you still guilty of it? **Write Your Own Story** Patti Ann Browne, 2022-04-26 This upbeat memoir is full of the edgy humor Patti Ann

Browne's fans love. She takes an honest look at the highs and lows of her life, both on and off the air. She provides insights into the turbulent world of television news and weaves in advice for aspiring journalists, parents of preemies, working moms, and anyone trying to stay grounded in a world that increasingly values superficiality. In this entertaining and intimate memoir, the woman known by fans as The Notorious P.A.B. reveals why she walked away from her TV news career after three decades. Patti Ann Browne also shares funny and poignant stories of her life off camera, from how she met her husband four years after turning down a blind date with him to her son's near death shortly after his premature birth and how it changed her perspective on life. She chronicles life as an Irish triplet and tells the dramatic story of her twin sister secretly placing a baby for adoption and being reunited with him decades later. While many books declare that you can have it all, Patti Ann dares to say no, one can, but with flexibility and gratitude you can come close. From local cable to MSNBC and then Fox, the #1 cable news network in America, Patti Ann describes her determination to write her own story. She resists the pressures of climbing

to the top and the sacrifices that entails ultimately choosing faith and family From her humble upbringing in Queens to rubbing elbows daily with the world s movers and shakers in Manhattan Patti Ann explains how she found a way to enjoy the perks of the glamorous life of an anchor while mostly avoiding the pitfalls Fiercely protective of her middle class lifestyle Patti Ann believes simple pleasures are life s greatest joys Her uplifting story is one of following your heart owning your mistakes living with integrity and leaving the rest to God Rooted in faith and optimism it s a redemptive tale of humility and serendipity Patti Ann demonstrates that with hard work and a willingness to change course we can all write a life story with a happy ending
