Reader Bot Naomi S. Baron, 2026-01-20 What happens to human reading when AI bots can do it for us Explosive developments in artificial intelligence have awed everyday users with the technology's ability to draw do computer coding and especially to write Those AI generated essays and poems legal briefs and responses to requests for information are all visible evidence of large language models at work What we don't see is the critical prior step before it can write AI needs to read While AI's written outcomes are remarkably similar to what a diligent student lawyer or researcher might produce AI doesn't read the way that humans do Now that AI is proving an adept reader what happens to our own reading skills and motivations especially at a time when both voluntary and school reading are increasingly on the decline We have learned that when we let chatbots write for us there are pros and cons to handing over our virtual pens It's critical that we also think through the consequences of relinquishing reading a deeply human

activity to bots What do we stand to gain and lose when we let AI read for us Tracing the intersecting trajectories of AI and reading Reader Bot tackles this vital question revealing why we must be thoughtful about how we welcome AI as reader into our lives

The Emperor and the Endless Palace Justinian Huang, 2024-03-26 Stonewall Book Award Winner 2025 A sweeping triumph in queer romance Booklist What if I told you that the feeling we call love is actually the feeling of metaphysical recognition when your soul remembers someone from a previous life In the year 4 BCE an ambitious courtier is called upon to seduce the young emperor but quickly discovers they are both ruled by blood sex and intrigue In 1740 a lonely innkeeper agrees to help a mysterious visitor procure a rare medicine only to unleash an otherworldly terror instead And in present day Los Angeles a college student meets a beautiful stranger and cannot shake the feeling they've met before Across these seemingly unrelated timelines woven together only by the twists and turns of fate two men are reborn lifetime after lifetime Within the treacherous walls of an ancient palace and the boundless forests of the Asian wilderness to the heart pounding cement floors of underground rave scenes our lovers are inexplicably drawn to each other constantly tested by the worlds around them As their many lives intertwine they begin to realize the power of their undying love a power that transcends time itself but one that might consume them both An unpredictable roller coaster of a debut novel *The Emperor and the Endless Palace* is a genre bending spicy romantasy that challenges everything we think we know about true love

AUTHOR'S NOTE *The Emperor and the Endless Palace* is a heart pounding romantasy full of shocking twists morally shifty characters and erotic thrills When it comes to the romance within this novel you can expect equal parts mess and swoon but its central thread is an epic tale of true love against all the odds
