Wilkes-Barre: Return to Glory Iii Brian W. Kelly, 2022-09-12 Wilkes Barre PA is a dying city It is time to pick ourselves up by the bootstraps and begin our return to glory In the middle of the last century Wilkes Barre s population was approaching 90 000 Today it is 43 000 This did not happen overnight Over the years many of the city s kind benefactors such as the Kirby family helped keep the city vibrant Whenever it needed a boost they were there to rejuvenate Having had half the population move out of town Wilkes Barre no longer could count on a local family to be there at the right time with the right answer Wilkes Barre saw its population declining with the mines no longer sustaining the City We noticed stores even the best of the best shutting down or moving out from necessity We all noticed that other businesses that once provided hundreds of jobs not being able to continue Mark Twain once said that The reports of my death have been greatly exaggerated Wilkes Barre officials and residents over the years have heard the death knell for the City and instead of contesting it fiercely allowed it to happen Like Twain our demise has been greatly exaggerated Those times are in the past Wilkes Barre can and must find its way out of the mire and return to glory May good leadership help Wilkes Barre find a way to reclaim its future Those who

grew up in this City as well as those who love our Diamond City will enjoy this book Few books are a must read but Brian Kelly's Wilkes Barre PA Return to Glory will melt your heart as your author recounts some great stories from the past and points out how to stop the decline and move this city back to Glory This book needs to be at the top of your reading list especially for those who have lived or now live in Wilkes Barre Community Centers and FHA Loans and Grants United States.
