I Cannot Control Everything Forever Emily C. Bloom, 2024-04-16 One of TIME magazine's 100 Must Read Books of 2024 A New Yorker Best Book of the Year An eloquent and intimate debut memoir about navigating the gap between expectation and reality in modern motherhood I Cannot Control Everything Forever is Emily Bloom's journey towards and through motherhood a path that has become for the average woman laden with data and medical technology Emily faces decisions regarding genetic testing and diagnosis technologies that offer the illusion of certainty but carry the weight of hard decisions Her desire to know more thrusts her back into the history of science as she traces the discoveries that impacted the modern state of pregnancy and motherhood With the birth of their daughter who is diagnosed with congenital deafness and later Type 1 diabetes Emily and her husband find their life centered around medical data devices and doctor's visits but also made richer and fuller by parenting an exceptional child As Emily learns technology and data do not reduce the labor of caretaking These things often fall as the pandemic starkly revealed on mothers Trying to find a way out of the loneliness and individualism of 21st century parenthood Emily finds joy in reaching outwards towards art and literature such as the maternal messiness of Louise Bourgeois or Greek myths about the power of fate as well as the collective sustenance of friends and community With lyrical and enchanting prose I Cannot Control Everything Forever is an inspired meditation on art science and motherhood

Kilt Trip Cathryn Fox, 2023-08-16 I loved this hilarious hot and very romantic book Loads of humor 5 Star Goodreads Reviewer Thanks to an unfortunate sheep incident please don't ask I lost my job as a wedding photographer and said good riddance to my unsupportive fianc Escaping to Scotland with a friend seemed like a great way to avoid the guilt Who knew I'd end up staying at an Airbnb owned by a famous soccer player And temporarily working together at his family's pub where he's recuperating from an injury A relationship is not on the menu despite his talents in the kitchen and other areas of the house All it takes is an unfortunate tweezer encounter again please don't ask for things to heat up Harris is sweet and funny and I soon realize he's as lost as I am Together we go on a journey of self discovery where I learn so much about myself Things are going great until Harris gets the worst news possible and my ex fianc has visions of grandeur That's when things begin to unravel and I soon realize that what I thought I wanted wasn't what I wanted anymore and what I needed was now out of reach
