Not a Fan Updated and Expanded Kyle Idleman, 2016-02-02. Not a Fan has already called more than one million readers to consider the demands and rewards of being a true disciple, moving from fan to follower in their relationship with Jesus. After years of serving God, pastor and bestselling author Kyle Idleman had a startling revelation: for too long, he had been living as a fan of Jesus, someone who tried to make Christianity seem as appealing, comfortable, and convenient as he possibly could to others. Idleman decided something had to change; he needed to embark on the journey of becoming a completely committed follower of God, not just a fan. Fans want to be close enough to Jesus to get all the benefits but not so close that it requires sacrifice, while followers are all in and completely committed to Christ. Not a Fan gives you the tools you need to determine exactly where you stand when it comes to your relationship with Jesus. No matter where you are in your walk with Christ, Not a Fan calls you to consider the demands and rewards of being a true disciple. With frankness and a touch of humor, Idleman invites you to examine your

relationship with God Determine if you re following Jesus or just following the rules Pray the way Jesus prayed Start truly living for the one who gave his all for you This expanded and updated version of Not a Fan also includes a new introduction and an entirely new chapter about how to practically live out the book s core message Join Idleman as he challenges you to take an honest look at your relationship with Jesus and discover what it really means to be a follower *Internal Revenue Cumulative Bulletin* United States.
