Hiring Manager
Inversal, Inc.

Dear Hiring Manager,

As an assistant sales manager for four years, I'm now looking to transition into a managerial role. I thought I'd be a good fit for the position of Sales Manager at Inversal, Inc. because of my experience in monitoring sales teams, identifying sales trends and patterns, forecasting sales figures, and successfully driving revenue. I'm excited to broaden my knowledge and take on new challenges as a sales manager, and with your adequate support, I'm confident that I will meet your expectations.

Prior to becoming an assistant sales manager, I worked as a sales representative, where I exceeded sales goals, provided excellent client support, prepared monthly reports, and successfully handled negotiations. My work experiences have allowed me to develop organizational skills, sales strategizing, strong leadership, excellent communication, and analytical skills.

You can find more of my experiences and accomplishments in my attached resume. I appreciate your consideration, and I'm looking forward to hearing from you.

EXCERPT FROM THE BOOK You ve probably figured out a few mistakes to avoid already but you d probably be surprised at what many employers are turned off by when reading cover letters Lack of proofreading This is a no brainer but many people often miss them or don t bother to spell check before sending out the cover letter and resume It s always a good idea to ask a friend or family member to check your letter for spelling errors and typos to give you a fresh perspective Not including the name of the hiring manager If you don t know who is going to read your cover letter and resume try to find out When in doubt call the company and ask who the person in charge of that department is so you can target your letter appropriately Not writing to an audience Focus each letter on each employer According to Career Builder 44 percent of executives polled said it s common for applicants to use their cover letters to show they ve learned more about the job Doing so can give you an edge against the competition Failing to sell yourself If you
