heroin scene in Florida and I couldn't figure out for years why I wasn't finding any wife material. But oh how I tried. And tried. In all the wrong places. Pretty sad I'm not proud of it. After years of sad pathetic sex with heroin addicts I was a wreck. My younger self wouldn't have even recognized me. Lucy and Veronica had turned me into a broken, humiliated shell of a man. My heart had been ripped out of my chest so many times it was a miracle I hadn't killed myself yet. Seriously, it's a fun read. I promise. At the end of the book I had it up to here with heroin addicts. I told myself never again would I let myself be sucked in by the sweet lies of manipulative fake love. The name of the final chapter was NO MO HO. No more whores. I needed to change my life before my life was going to kill me. I hopped on a plane back to my native Germany to lick my wounds and heal before returning to America. That's where the second book ended. And now for our third and final act. **First Mover: Jeff**

Bezos In His Own Words Helena Hunt, 2018-02-13. Jeff Bezos started Amazon in 1994 as an online bookstore based out of his garage. Since then the ever-expanding enterprise has revolutionized shopping and in many important ways invented e-commerce as we know it. Today Amazon is the third most valuable company in the world and Bezos's vast customer-oriented empire has mushroomed to include everything from cloud computing and fresh food delivery to movie production and consumer electronics. In recent years Bezos also has invested in rocket technology, newspaper publishing, and artificial intelligence. Every arm of Bezos's business, however, is guided by a fundamental goal: to give customers what they want before they even think to ask for it. **First Mover: Jeff Bezos In His Own Words** offers a unique look into the mind of one of the world's most successful entrepreneurs by collecting more than 500 of Bezos's quotes on business, technology, customer service, e-commerce, innovation, entrepreneurship, and more. Meticulously curated from interviews, speeches, shareholder letters, press releases, and other sources, **First Mover** creates a comprehensive picture of Jeff Bezos, his obsessions, and what makes his ventures thrive. After more than 20 years at the helm of Amazon and its subsidiaries, Bezos continues to operate on what he calls Day One time in order to maintain the early experimental spirit of his business. Since the beginning, when he first saw the potential of the internet as a powerful tool for commerce, he has looked for trends and technologies that can alter not just business but daily life. **First Mover** reveals in detail a man who wants to push the future forward and will inspire readers to do the same. **Ready or Not** Stacie G.
