become As parents it s heartbreaking to hear children say negative things about themselves But as children grow older and begin thinking about the world in more complex ways they also become more self critical Alarmingly studies show that self esteem for many children takes a sharp drop starting around age eight and this decline continues into the early teen years So how can you turn the tide on this upsetting trend and help your child build genuine self esteem With this guide you ll learn that self esteem isn t about telling kids they re special It s about helping them embrace the freedom that comes with a quiet ego a way of being in the world that isn t preoccupied with self judgment and instead embraces a compassionate view of oneself and others that allows for both present awareness and personal growth When kids are less focused on evaluating and comparing themselves with others they are freer to empathize with others embrace learning and connect with the values that are bigger than themselves You ll also discover how your child s fundamental needs for connection competence and choice are essential for real self esteem Connection involves building meaningful and satisfying relationships that create a sense of belonging Competence means building tangible skills And choice is about being able to make decisions figure out what matters and choose to act in ways that are consistent with personal values When children are able to fulfill these three basic needs the question of Am I good enough is less likely to come up If your child is suffering from low self esteem you need a nuanced parenting approach Let this book guide you as you help your child create unshakeable confidence and lasting well being

The Gospel of Wellness Rina Raphael, 2022-09-20 Next level revelatory Sarah Knight New York Times bestselling author of *The Life Changing Magic of Not Giving a F ck* Excellent Rina really knows her shit I m so thankful for this book Jameela Jamil actress and host of *I Weigh* Journalist Rina Raphael looks at the explosion of the wellness industry how it stems from legitimate complaints how seductive marketing targets hopeful consumers and why women are opening up their wallets like never before Wellness promises women the one thing they desperately desire control Women are pursuing their health like never before Whether it s juicing biohacking clutching crystals or sipping collagen today there is something for everyone as the wellness industry has grown from modest roots into a 4 4 trillion entity and a full blown movement promising health and vitality in the most fashionable package But why suddenly are we all feeling so unwell The truth is that deep within the underbelly of self care hidden beneath layers of clever marketing wellness beckons with a far stronger more seductive message than health alone It promises women the one thing they desperately desire control Vividly told and deeply reported *The Gospel of Wellness* reveals how this obsession is a direct result of women feeling dismissed mistreated and overburdened Women are told they can manage the chaos ruling their life by following a laid out plan eat right exercise meditate then buy or do all this stuff And while wellness may have sprung from good intentions we are now relentlessly flooded with exploitative offerings questionable ideas and a mounting pressure to stay devoted to the divine doctrine of wellness What happens when the cure becomes as bad as the disease With a critical eye humor and empathy wellness industry journalist Rina Raphael examines how women have been led down a kale covered path promising nothing short of salvation She knows

Raphael was once a disciple herself trying everything from clean eating to electric shock workouts until her own awakening to the troubling consequences Balancing the good with the bad The Gospel of Wellness is a clear eyed exploration of what wellness can actually offer us knocking down the false idols and commandments that have taken hold and ultimately showing how we might shape a better future for the movement and for our well being
