**Last Team Standing** Matthew Algeo, 2013-09-01 An almost unknown chapter of sporting and American history Tracing the history of the National Football League during World War II this book delves into the severe player shortage during the war which led to the merging of the Pittsburgh Steelers and the Philadelphia Eagles creating the Steagles The team's center was deaf in one ear its wide receiver was blind in one eye and partially blind in the other and its halfback had bleeding ulcers One player was so old he'd never before played football with a helmet Yet somehow this group of players deemed unfit for military service due to age or physical ailment posted a winning record in the league to the surprise of players and fans alike Digging into the history of the war paralleled by the unlikely story of the Steagles franchise both sports fans and history buffs will learn about the cultural significance of this motley crew of ball players during a trying time in United States history

**The NFL's Pivotal Years** Brad Schultz, 2021-04-09 Recent years have been among the most challenging in NFL history culminating in the 2020-21 coronavirus and social justice issues Yet a complete understanding of where the NFL is today begins with a five year period that was the most transformative for the league From 1957 to 1962 the NFL saw the advent of unionization with a landmark Supreme Court decision the legendary 1958 title game the first to go into sudden death overtime a challenge from the American Football League that would have important consequences for decades the introduction of computerization and statistical analysis the first steps towards globalization and the hiring of legends Vince Lombardi and Tom Landry who both contributed to the league's growing mythology This book describes in detail the key events that helped shape the modern NFL and why this period was so momentous to the league and its fans

*The Good, the Bad, & the Ugly: Minnesota Vikings* Steve Silverman, 2007-08-01 What fans don't love to relive the good times of their favorite team Likewise in a twisted sort of way what fans can really resist a self-pitying look back on some of those times that tested their allegiance Those forgettable games seasons and plays that made the good times even better The Good the Bad the Ugly presents all the best moments and personalities in the history of the Minnesota Vikings It also unmasks but doesn't revel in the bad the regrettably awful and the unflinchingly ugly In entertaining and unsparing fashion this book sparkles with Vikings highlights lowlights wonderful and wacky memories legends and goats the famous and the infamous You'll relive the Purple People Eaters but also reminded of that 41-0 loss to the New York Giants in the 2000 NFC Championship thought you had forgotten that huh The Good the Bad the Ugly includes the best and worst Vikings teams and players of all time the most clutch performances and performers the biggest choke jobs and chokers great comebacks and blown leads plus overrated and underrated Vikings players and coaches There are Vikings you loved for all the right reasons and those you couldn't stand sublime and embarrassing records and trades both savvy and savagely bad Brawls and fights Rivalries

Compelling photos And much much more If you re a through thick and thin Vikings fan The Good the Bad the Ugly Minnesota Vikings is especially for you It will remind you of the good and great times and bring a knowing smile about some of those other times when you proved to yourself just how loyal you are For everyone else this war and all portrait of the Vikings will provide countless fond memories goose bumps and laughs **The Music Within Your Heart** Isaac Samuel
