Nhl Opening Night Compare:

Five Overtimes John G. Robertson, Carl T. Madden, 2024-06-06 The quarter century comprising the Original Six years of the National Hockey League is often fondly discussed by the sport's scholarly fans. However, one surprisingly underappreciated jewel from that era is the 1951 Stanley Cup final series between the Toronto Maple Leafs and the Montreal Canadiens. It provided something never seen before in the history of the NHL and has not been seen since: every one of the five games required a dramatic sudden death overtime period to determine a winner. This book takes an in-depth look at this exciting conclusion to the 1950-51 NHL season as well as an examination of the two playoff semifinal series and a general overview of the goings on from the 210 game regular season featuring many amusing anecdotes. As an added bonus, a special chapter discusses the short life, baffling disappearance, and untimely death of Toronto defenseman Bill Barilko just four months after he notched the Cup winning tally in April. Also examined is the recent controversy about who really possesses the historic puck with which Barilko scored his famous goal.

The NHL's Mistake by the Lake Gary Webster, 2021-09-30 The Cleveland Barons should never have existed. Born when the National Hockey League's California Golden Seals, another team that should never have existed, were transplanted to Cleveland in 1976 and greeted with apathy by the dwindling number of hockey fans in northeastern Ohio, the Barons were an embarrassment to the city and to the NHL. The only thing the team had going for them was the state-of-the-art arena they played in, which was all but empty for nearly every game they played. This book chronicles the Barons' two regrettable seasons, a case study in what happens when an ill-conceived professional sports team created in an expansion splurge is moved in an effort to save it to a city that doesn't really want it.

The Greatest Game Todd Denault, 2011-10-04 This game wasn't about money, points, or trophies. Instead, it was played for pride, both personal and national. It was a confrontation twenty years in the making and it marked a turning point in the history of hockey. On December 31, 1975, the Montreal Canadiens, the most successful franchise in the NHL, hosted the touring Central Red Army, the dominant team in the Soviet Union. For three hours, millions of people in both Canada and the Soviet Union were glued to their television sets. What transpired that evening was a game that surpassed all the hype and was subsequently referred to as the greatest game ever played. Held at the height of the Cold War, this remarkable contest transcended sports and took on serious cultural, sociological, and political overtones. And while the final result was a 3-3 tie, no one who saw the game was left disappointed. This exhibition of skill was hockey at its finest, and it set the bar for what was to follow as the sport began its global expansion.

Hockey Tonk Craig Leipold, 2008-07-13 Hard hitting, nonstop action and that's just what happens off the ice. Hockey is the fastest of all team sports, an emotional, exhilarating, and highly entertaining blend of speed, finesse, intensity, and bone-crunching physical impact. And the NHL's Nashville Predators are, in every respect, a team to watch. But the story leading up to and through the Predators' triumphant first season is every bit as exciting as the game itself. *Hockey Tonk* tells of one man's dream of bringing a pro team to a city best known for its music industry. The

journey from that dream to its fulfillment in an arena filled with 17 000 screaming fans is a story of vision passion hard work perseverance and commitment to long term success It s a story of teamwork and hard nosed competition both on and off the ice Just a few short years ago the majority of Nashville Tennessee didn t know the difference between a blue line and a line dance But now Music City has become a pro sports town thanks to a fiercely competitive hockey team its business and community minded front office and fan support that according to USA Today is second to none Chasing the Dream Starkey, Ted,2016-11-01 Go on the road with the best hockey players not in the NHL What is life really like in North American hockey s top minor league As told by dozens of the players coaches broadcasters personnel and owners who work a grinding schedule every winter Chasing the Dream goes behind the scenes with seven AHL teams Find out how players dreams of lacing up their skates in the NHL motivate them through long bus rides and games where they re constantly gunning for a precious spot in the majors From young prospects to veterans whose own hopes have faded hear from AHL players on why today s minor league is no longer like Slap Shot what playing three games in under 48 hours can do to a player and why fighting once a staple of the minors is on the decline Learn about the game from coaches alumni and broadcasters as well as AHL president Dave Andrews who reveals how the AHL is becoming an even more important tool for NHL teams in the salary cap era Load your gear on the bus and take a tour around the many venues personalities pranks and memories of the once small AHL an organization that now crosses the continent and is big business for players and owners
