Artist Management for the Music Business Paul Allen, 2014-07-17 With the evolution of the music business and the shifting influence of large record labels the artist manager is now more than ever at the center of an artist's career. Artist managers are tasked with keeping abreast of the music industry and supporting the artists under their management while simultaneously managing their own careers. Including key industry insights, exclusive planning guidance, management tools and strategies for a successful career, *Artist Management for the Music Business* has the tools to support any new or experienced artist manager. Through its analysis of over a dozen case studies, lessons and contract examples, author Paul Allen provides a focused look at managing artists' careers. This follow-up to the best-selling second edition features a new chapter on entrepreneurship, including detailed information on how to run an artist management enterprise as a business, and includes coverage of anticipating risks, reacting to challenges, and basic money management. The chapter also contains additional sections on the effective use of social media, the Web, and handling online promotion. For additional resources, visit the book's website at www.artistmanagementonline.com. Standard & Poor's Creditweek, 2006

Streaming and Digital Media Dan Rayburn, 2012-07-26 *Streaming and Digital Media* gives you a concise and direct analysis to understand a scalable, profitable venture, as well as the common and hidden pitfalls to avoid in your business. By focusing on both the business implications and technical differences between online video and traditional broadcast distribution, you will learn how to gain significant time to market and cost-saving advantages by effectively using streaming and digital media technologies. As part of the NAB Executive Technology Briefing series, the book is geared towards the manager or executive, and no technical prerequisite is required. You can quickly learn the technical speak, as well as the market and business implications. New in the book: Consumer-generated content and portals; Distribution of full-length video content; New distribution outlets for delivering content: Sling, TiVO, IPTV; Addition of Flash streaming technology and Podcasting. Up-to-date market research and data; New industry pricing data. Digital and Media Management Tarun Jindal, 2025-02-20 *Digital and Media Management* serves as a vital guide through today's rapidly shifting media landscape where traditional and digital platforms converge. This book provides an in-depth look at strategies, challenges, and opportunities in the evolving world of media management, offering a comprehensive toolkit for professionals and newcomers alike. We begin with core concepts, tracing the evolution of media management and highlighting essential principles and challenges faced by media managers. Covering traditional sectors like print, broadcast, and film, readers gain insights into the business models, editorial processes, and distribution strategies that drive these industries. As the focus shifts to digital media, we explore social media content creation and digital marketing. Practical examples and case studies illustrate how media organizations can harness digital tools to engage audiences, monetize content, and maintain a competitive edge. Emphasizing content management systems (CMS), we provide actionable guidance for streamlining digital workflows and optimizing content strategies. With a dedicated

section on strategic management readers also learn to develop adaptable strategies navigate legal considerations and harness technology innovations like data analytics and AI Digital and Media Management equips readers with the insights and strategies necessary to succeed in the modern media landscape The Business of Streaming and Digital Media Dan Rayburn, Michael Hoch, 2012-08-06 This book answers the question What is the value of using streaming and digital media for my business and what can I expect in return The Business of Streaming and Digital Media gives you a concise and direct analysis of how to implement a scalable profitable venture as well as the common and hidden pitfalls to avoid in your business By focusing on both the business implications and technical differences between rich media and traditional broadcast distribution you will learn how to gain significant time to market and cost saving advantages by effectively using streaming and digital media technologies **The Live-Streaming Handbook** Peter Stewart, 2017-11-22 The Live Streaming Handbook will teach you how to present live video shows from your phone and stream them straight to Facebook and Twitter With this book and your favourite social media apps you will be able to run your own TV station for your home or work Peter Stewart an experienced TV and radio presenter producer and author now shares the training he s given to professional broadcasters with you From structuring and developing a show to establishing an effective online persona and getting more people to watch you The book includes dozens of tried and tested formats for your live video show alongside case studies highlighting how businesses and professionals are using live streaming in their brand and marketing strategies Also included are a foreword by Al Roker NBC s The Today Show practical steps for using popular live streaming apps such as Facebook Live and Twitter nearly 80 colour images of live streaming events screenshots and gadgets a detailed walk through of how to successfully present and produce your live streaming show advice on analysing and exploiting viewer metrics to increase followers more than 130 quotes of real world advice from expert producers of online media content over 700 links to online case studies articles research and background reading With this extensive manual you will gain a competitive edge in the world of online live streaming This book is invaluable to entrepreneurs professionals and students working in journalism public relations marketing and digital media as well as general readers interested in live streaming at home **Billboard** , 2010-01-09 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends **Song and System** Harvey Rachlin, 2020-02-27 From the first Tin Pan Alley tunes to today s million view streaming hits pop songs have been supported and influenced by an increasingly complex industry that feeds audience demand for its ever evolving supply of hits Harvey Rachlin investigates how music entered American homes and established a cultural institution that would expand throughout the decades to become a multibillion dollar industry weaving a history of the evolution of pop music in tandem with the music business Exploding in the 1950s and 60s with pop stars like Elvis and the Beatles the music
