Teaching with Literacy Programs Patricia A. Edwards, Kristen L. White, Ann M. Castle, Laura J. Hopkins, 2023-09-21 Winner of the AACTE 2025 Gloria J Ladson Billings Outstanding Book Award A step by step guide to developing equitable literacy instruction by adapting curriculum to support diverse learners In Teaching with Literacy Programs Patricia A Edwards Kristen L White Laura J Hopkins and Ann M Castle present a model that allows educators to address educational inequity through the critical and adaptive use of existing literacy curriculum materials In this accessible work they advise educators on ways to combine common classroom materials such as basal readers and core reading programs with instructional practices that provide high quality responsive instruction to all students Edwards White Hopkins and Castle credit literacy instruction as a core part of overall educational equity and they recognize the crucial role that educators play in translating materials into instruction that benefits all learners Here they offer teacher education in support of this essential role deftly guiding educators through a four part development process CARE an acronym for cultivating critical consciousness analyzing materials reconstructing curricula and evaluating instruction reflectively to advance equity Built upon culturally relevant sustaining and antiracist pedagogy CARE enables teachers to provide literacy instruction that meets the range of needs and performance levels in classrooms supporting students in attaining academic achievement cultural competence and critical consciousness The approach outlined in this work which can be put into immediate practice helps educators to provide literacy instruction that builds on students multiple literacies and reduces educational inequity

Narrowing the Attainment Gap: A handbook for schools Daniel Sobel, 2018-01-25 The attainment gap between disadvantaged pupils and their peers is one of the most insidious social injustices in the developed world It is a significant factor in the growing inequality of our societies and persists across time and nations For this reason narrowing the gap is a top priority for governments and policymakers and an issue that all schools must tackle Written by a leading expert in the field of inclusion Narrowing the Attainment Gap is designed to support school leaders in understanding and reducing the attainment gap in the context of their setting Drawing on research and his own extensive experience in leading a team that has worked with over 1 000 schools Daniel Sobel examines the real issues behind the attainment gap and the barriers schools face when trying to narrow it The book provides a unique approach with hands on practical guidance to enable every school leader to develop their own bespoke solutions to meet the needs of their community Case studies and examples illustrate how these interventions can be put into practice and the impact they can have while template resources help schools demonstrate to stakeholders the change they are driving at an individual cohort and whole school level **Small Groups for Big**
