Because God Was There Belma Diana Vardy, 2017-07-07 This is the amazing and true story of Belma Vardy who as a young child lived through the brutal and terrifying events that accompanied the end of World War II and the sudden erection of the Berlin Wall when East was separated from West and families were ripped apart The trauma Belma endured during those years would have destroyed most people If they had survived they would have been severely crippled emotionally But Belma found the key to healing This story is one of courage gripping contrasts and is told here in remarkable detail Her journey of recovery demonstrates how God can use our fractured and broken stories to bring healing and hope to others And that healing is possible for any broken wounded rejected soul It illustrates how one event or a single life's circumstances can impact others who share a similar background in widely divergent ways Providentially Belma was back almost 30 years later to witness and celebrate the destruction of that wall Her gripping personal narrative as told here in *Because God was There* follows her life's journey out of extraordinary abuse and painful separation to a place of restoration forgiveness and joy that can only be found in Christ **The Night Before Breakthrough** Shari Pouncey, 2017-03-06 The Night Before
