Beautiful Beasties Jamie Pflughoeft,2012-09-11 Pet photography is a burgeoning subcategory for professional and hobbyist photographers As the digital revolution has allowed amateur photographers to begin marketing themselves as low cost alternatives to professional studios many professional photographers are expanding their offerings beyond the basic wedding photography and senior portrait photography As a result of this as well as American s adoration for their pets pet photography is an increasingly popular offering and a presentation on pet photography at WPPI Wedding and Portrait Photographers International trade show in March 2010 drew standing room only crowds From lolcats to petfinder com Americans are obsessed with their pets And with 62% of the U S population being pet owners a how to on pet photography is a long overdue guide In *Unleashed Techniques for Digital Pet Photography* Vicki Taufer will teach photographers how to capture appealing pet portraits While portrait books are a mainstay of the digital photography category there are currently no serious pet photography books available on the market And as the pet photography business grows photographers are increasingly looking for a handbook to teach them not only how to capture great pet portraits but also how to work through the unique challenges of working with pets and their owners This book will cover all that and more as well as provide stunning examples of Vicki s own pet portraits **Newsweek** ,2005-05 **Nikon** Brian Long,2006 This book is much more than a history of the high quality cameras and lenses that have made Nikon a renowned name in the world of photography It is also a chronicle of the birth of this Japanese manufacturer and the way in which it has evolved to keep abreast of advances

in technology and ahead of the competition Profusely illustrated throughout with rare archive material from around the world and augmented by a feast of original pictures of the cameras in use the text is enhanced by extensive appendices containing a wealth of information for the avid Nikon collector
