of this unborn Life of our Lord It is enough for devout Christians that there exists this separate portion of our Lord's human existence the period of His greatest humiliation and self abasement It is only natural that this should at once attract our adoring homage and that those who give themselves to the Special devotion which it suggests should find themselves consoled and assisted in a wonderful degree by the practices and contemplations which belong to that devotion About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works *The Nine Months* Henry James Coleridge (s.j.),1885
