Mack Nicole Edwards,2020-03-03 Four years ago Mack Schwartz made a decision that would alter the course of his life Little did he know that walking away from the man he loved was only the beginning of a downward spiral Since then he s become nothing more than a puppet his son Daniel at the helm turning Mack s life not only upside down but inside out Against his better judgment Jeff Endsley didn t put up a fight when Mack walked away although his absence left a gaping hole in Jeff s life Now that Daniel has convinced Mack to sell Moonshiners and leave

Coyote Ridge behind Jeff isn't sitting back and letting him make the decisions anymore **Smoke and Mirrors** Nicole Edwards, 2025-11-25 Armed with revelations that could flip their world upside down the Off the Books Task Force is diving into a case that's as unpredictable as a coin toss This time they've assembled a full house and it's not a poker game Brantley Walker and Reese Tavoularis are still at the helm but they're taking a backseat letting their two newest team members take the wheel At Brantley's behest Atticus James and Archer Halligan are stepping up to the plate as team leaders ready to swing for the fences With a to do list that includes interrogating a mob boss and searching a former team member's childhood residence the task force is chasing leads across the great state of Texas While new information keeps them moving relationships are being put through the wringer while new unexpected ones are forming Can the team find more than smoke and mirrors to pin their hopes on or will they end up in a tangled web of intrigue and unexpected alliances **Missing Pieces** Nicole Edwards, 2025-08-19 Brantley Walker and Reese Tavoularis are plunging headfirst into the satisfying chaos of married life Although their preference would be to sit on a beach enjoying umbrella drinks for a week the honeymoon will have to wait With Jessica James treating her hospital stay like an all inclusive spa getaway complete with bed rest and boredom Brantley Reese Baz and the rest of the team are bracing themselves for the inevitable twists and turns ahead Meanwhile Atticus James shares not only the same last name with JJ but also the irritation that comes with monotony He's spending his days sifting through partner applications waiting for the day he'll see some of the action Just when he thinks his excitement levels have hit rock bottom Brantley hands him his first case assignment Only he's not sure he wants it once he learns what it is But if suffering is the name of the game he can think of no better partner in misery and mayhem than Slade Elliott While Atticus and Slade are busy with their detective shenanigans the rest of the team isn't just tuning in to their favorite podcast they're about to dive headfirst into a live episode of Havoc Your Way when the podcast's host stops by But Simon Jennings isn't there to sign autographs He's dropping in with a case that veers dangerously close to home blending the bizarre with the familiar as he seeks their expertise to untangle a web that's both outside their skill set and uncomfortably personal *Hard to Hold* Nicole Edwards, 2017-05-30 *Filthy Hot Billionaire* Nicole Edwards, 2022-04-19 Knox Montgomery My obsession with Emily Campbell started when she was fifteen years old Her age made her completely off limits to me The fact that her father was married to my mother only made it socially frowned upon That was then This is now Emily's a woman now and our parents are no longer married However there are still complications Like the fact my mother stole seventy million dollars from me and her father was complicit in the crime When the time comes for them to repay that debt her father offers Emily up on a silver platter I turned him down because I'm many things but certainly not a cliché Instead I gave him an additional three years to get his affairs in order He didn't know it at the time but that was more for me than for him Not enough drama Good because I've got another obsession His name is Kieran O'Rourke It started the day the Irishman introduced himself to me although I've never admitted that to anyone Certainly not him Nor did I give in right away

because that would've been too easy. Complications are compounded when Emily believes I betrayed her and her family by taking back what was rightfully mine which only delays my plans. Being one of the wealthiest men in the world I have an endless supply of resources, a long list of things to keep me busy, and an abundance of patience. No matter what I will introduce Emily and Kieran to one another and when I do life as we know it will be irrevocably changed. This is my story of obsession, betrayal, and surrender. Some might say I have my work cut out for me. Good thing I enjoy a challenge. This is a standalone novel.

Rule Nicole Edwards, 2023-11-28 I'm known to the Hollywood elite as The Fixer. Others refer to me as a Sin Eater. Whatever they call me, people know my name. Some even talk about me as this mythical creature who can make miracles happen, provided those miracles are unethical and usually illegal. But I don't have a unique skill set. I'm merely a man in possession of a broken moral compass. I won't apologize for who I am. The world I live in made me this way. The people who abandoned me set me in motion. And the system that failed me molded me. That doesn't mean I don't know the difference between right and wrong. When the daughter of one of Hollywood's shining stars is kidnapped, I make it my mission to find her. And I do. But don't mistake me for the hero. I knew she would be taken and I did nothing to stop it. Years later, that girl is now a woman and her mother once again needs me to make a problem go away. When she calls, I answer. Right time. Right place. No. It's been my plan all along. This is a standalone menage romance with a morally challenged anti-hero, a man who thinks he owes. **Rule** his life, and a beautiful artist who decides two sinfully sexy men are definitely better than one.

Deadly Coincidence Nicole Edwards, 2021-06-29 The members of the Off the Books Task Force are at it again this time, spending some quality time together and solving a mystery that has them temporarily baffled. Brantley Walker and Reese Tavoularis continue to find a balance between their personal and professional relationship. In doing so, they realize they have much to learn about one another. When JJ gets caught up in a plot to abduct the governor's son, she turns to Baz for help. And though he comes to her rescue immediately, she soon realizes the rift she caused between them may be too great to repair. Brantley is keeping a secret that affects the future of the entire task force. While he helps the team resolve the mystery surrounding Dante's disappearance, he must determine the best way to relay the news that Governor Greenwood has decided to disband the task force effective immediately.

Kaden & Keegan Nicole Edwards, 2020-10-20 Bristol Newton has spent the past couple of years doing her best to keep her distance from Kaden and Keegan Walker. Up to this point, avoiding the sexy twins hasn't been as easy as she hoped it would be. Thankfully, she has a plan: sign them up for the Fall Festival's auction and let some lucky lady win a date with them. After all, it's for a good cause. Plus, it ensures she doesn't get pulled under their spell. She should've known even that wouldn't be easy. When Kaden and Keegan have questions, Bristol reluctantly agrees to dinner to explain the details. That was her first mistake. The second resulted in the hottest night of her entire life with the two sexiest men she'd ever met. A night that would change all their lives in ways they never expected.
