Bastards, 2019 Comic      **American Bastard** Jan Beatty, 2021 American Bastard is a lyrical inquiry into the life of being a bastard sandblasting the myth of the chosen baby      What Next You Bastard Ken Hall, 2021      **The Bedside Book of Bastards** Dorothy M. Johnson, Robert Townley Turner, 1973      **Toil & Trouble** Augusten Burroughs, 2019-10-02 A New York Times Bestselling Author For as long as Augusten Burroughs could remember he knew things he shouldn't have known He manifested things that shouldn't have come to pass And he only told one person about it his mother His mother reassured him that it was all perfectly normal because he was descended from a long line of witches going back to the days of the early American colonies This knowledge was a bond that he and his mother shared until the day she left him in the care of her psychiatrist to be raised in his family After that Augusten was on his own He was on a personal journey to understand himself to navigate the world of tricky power and to either use or misuse his gift      *What Next You Bastard* Ken Hall, 2001

**'Inconsiderate Bastard'** Brian Arthur Levene, 2011-07-14 A young man witnesses from an early age that the degradation of women is the norm and develops into an Inconsiderate Bastard who cares only about his desires After reflecting upon his exploits he tries to reform his behavior and his dirty ways but is he capable I am one of society's many men who are responsible for causing mass destruction to women's ability to care for their family the right way or blissfully fall in love Lucky for us some women can overcome their baggage and become loving and caring even though they were ill treated raped pillaged of their sanity and left for years It doesn't matter what country you are from and it certainly doesn't matter where you live It seems like the ability for most men to love and treat women like they are worth more than a two dollar hooker waiting for another John has evaporated from most of today's modern man's mind      **A Wolf at the Table** Augusten Burroughs, 2008-04-29 The author traces the story of his relationship with his father in a psychologically charged tale that evaluates such themes as the line between love and hate and a child's longing for unconditional love      **The Little Bastard** Leah Laraine Byron, 2008-10 Through conversation with a friend who happens to be a mental health worker I discovered that I have an antisocial personality type An employer who was a psychiatrist confirmed this discovery and prescribed a medication Not knowing if this is an inherited defect that can be passed along to my children I look back over my life hoping to identify some point at which this malfunction might have been created by some catastrophic event thus sparing my children from a genetic defect I discovered the therapeutic value of my writing to be invaluable      Bastard Child Jackson, 2018-02-14      The Mad Young Bastard Maurice Cole, 2015
