Military Life in the 21st Century Eugenia L. Weiss, Carl Andrew Castro, 2018-11-16 A comprehensive guide to the lives and experiences of military service members veterans and their families in the United States today with special emphasis given to those of the post 9 11 era This reference work provides detailed information on the issues U S service members face both stateside and during deployments overseas Issues covered include relations with family substance use housing educational and job training opportunities post traumatic stress disorder and other health issues and experiences of women sexual minorities and ethnic racial minorities in the armed services This set also examines major issues related to military service for people close to the men and women who serve our country such as spouses or partners children and parents grappling with such issues as single parenthood during deployment and bereavement at the loss of a loved one Finally this set is a valuable resource for people seeking a greater understanding of the issues that confront some military service members and veterans from chronic health problems to economic vulnerability to suicide to incarceration The two volumes are written in a comprehensive yet succinct and accessible style by experts familiar with the latest trends and findings

Corridors of Contagion Victoria Law, 2024-09-10 Tracing the narratives of five incarcerated individuals Sentenced to COVID speaks to the devastating impact of surviving the pandemic inside prison walls Corridors of Contagion brings to light the experiences of five people incarcerated across the United States as they navigate the onset of the pandemic and the many months stretched into years that followed Journalist Victoria Law combines this storytelling with a trenchant analysis of the structural failures of the US carceral system failures that made prisons uniquely vulnerable to COVID 19 outbreaks from overcrowding to solitary confinement from insufficient healthcare to life sentences The book portrays the horrors of continual lockdowns not in the comfort of one s own home but in prisons where routine violence and chaos is made even more unimaginable by the complete lack of control over protection from a terrifying and lethal new virus The pandemic provided an opportunity for lawmakers and policy makers to rethink the nation s addiction to perpetual punishment Instead US jails and prisons doubled down on punishment under the guise of pandemic protections As a result people behind bars experienced increased stress mental health challenges increased violence and higher rates of deaths many of which could have been prevented While the pandemic emergency has been declared over we are continuing to learn more about the extent of its destruction Corridors of Contagion reminds readers about both the particular horrors experienced by people in cages and the continued role of the US as the world s prison nation

Freedom from Religion and Human Rights Law Marika McAdam, 2017-11-14 Although human rights belong to all persons on the basis of their humanity this book demonstrates that in the practice of international human rights law the freedom to be non religious or atheist does not receive the same protection as the freedom to be religious Despite the claimed universality of freedom of religion and belief contained in article 18 of the International Covenant on Civil and Political Rights the key assertion made is that there is a hierarchy of religion and belief with followers of major established religions enjoying high protection and low regulation at the top and atheists and non believers enduring high persecution and weaker protection at the bottom The existence of this hierarchy is proven and critiqued through three

case study chapters that respectively explore the extent to which non religious and atheist rights holders enjoy freedom from proselytism freedom from hate and freedom from the religions of their parents Gender Hurts Sheila Jeffreys,2014-04-24 It is only recently that transgenderism has been accepted as a disorder for which treatment is available In the 1990s a political movement of transgender activism coalesced to campaign for transgender rights Considerable social political and legal changes are occurring in response and there is increasing acceptance by governments and many other organisations and actors of the legitimacy of these rights This provocative and controversial book explores the consequences of these changes and offers a feminist perspective on the ideology and practice of transgenderism which the author sees as harmful It explores the effects of transgenderism on the lesbian and gay community the partners of people who transgender children who are identified as transgender and the people who transgender themselves and argues that these are negative In doing so the book contends that the phenomenon is based upon sex stereotyping referred to as gender a conservative ideology that forms the foundation for women s subordination Gender Hurts argues for the abolition of gender which would remove the rationale for transgenderism This book will be of interest to scholars and students of political science feminism and feminist theory and gender studies *Inclusion in the American Military* Morten G. Ender,Ryan Kelty,David E. Rohall,Michael D. Matthews,2023-10-30 The US military is one of the largest employers in the country and is a relative microcosm of American society bringing in people from diverse backgrounds and history to defend the nation from all enemies Military and civilian leaders address the same challenges as those found in the civilian world including diversity inclusion equity and belonging The US military has both led and followed the nation in establishing policies of diversity and inclusion In this second edition the editors and contributors provide a revised updated and expanded overview of the ways in which diversity and inclusion are dispatched in the US military by providing information and knowledge about celebrated and contested social characteristics including race ethnicity religion gender and sexuality and three new groups comprising the military the disabled civilians and immigrants Astute subject matter experts contribute contemporary must have go to chapters into a fresh compelling and insightful volume on the roles that each of these groups occupy in the US armed services as well as the laws rules and regulations regarding their participation This new edition also provides eleven Lived Experiences that enliven and humanize each chapter and will assuredly inspire readers Muslim Fashion Reina Lewis,2015-10-15 In the shops of London s Oxford Street girls wear patterned scarves over their hair as they cluster around makeup counters Alongside them hip twenty somethings style their head wraps in high black topknots to match their black boot cut trousers Participating in the world of popular mainstream fashion often thought to be the domain of the West these young Muslim women are part of an emergent cross faith transnational youth subculture of modest fashion In treating hijab and other forms of modest clothing as fashion Reina Lewis counters the overuse of images of veiled women as evidence in the prevalent suggestion that Muslims and Islam are incompatible with Western modernity Muslim Fashion contextualizes modest wardrobe styling within

Islamic and global consumer cultures interviewing key players including designers bloggers shoppers store clerks and shop owners Focusing on Britain North America and Turkey Lewis provides insights into the ways young Muslim women use multiple fashion systems to negotiate religion identity and ethnicity

Education, Law and Diversity Neville Harris, 2020-01-09 This new edition of Education Law and Diversity provides extensive updated analysis from a legal perspective of how the education system responds to social diversity and how the relevant social and cultural rights of individuals and groups are affected It spans wide ranging areas of school provision including types of school including faith schools the school curriculum choice of school out of school settings and duties towards children with special needs and disabilities It gives extensive coverage to children's rights in the context of education and includes considerable new material on issues including relationships and sex education exclusion from school home education equal access counter extremism and academisation The new edition also retains and updates areas of debate in the book such as those concerned with multiculturalism and the position of religion in schools It continues to focus on England but also makes reference to other jurisdictions within the UK and internationally It is essential reading for anyone interested in the legal and related policy issues surrounding children's education today

Islam, Constitutional Law and Human Rights Tommaso Virgili, 2021-09-15 This book focuses on Islamic constitutionalism and in particular on the relation between religion and the protection of individual liberties potentially clashing with sharia and the Islamic ethos The analysis goes from general to particular starting with a theoretical overview on constitutionalism human

rights and Islam moving to the assessment of the post Arab Spring Constitutions of Egypt and Tunisia and concluding with a specific focus on the rights of sexual minorities and freethinkers Part I provides a theoretical account of the conception of constitutionalism and human rights in Islam compared and contrasted with Western constitutionalism A set of issues where the tension between sharica and human rights is accentuated is analysed against the backdrop of the main Islamic charters of rights Part II conducts a similar assessment based on the Constitutions of Tunisia and Egypt the two main epicentres of the Arab Spring Part III moves to two specific rights in the same countries from the twofold perspective of the Constitutions and international law the freedom from interference in one s intimate life with particular regard to homosexuality and the freedom of holding and expressing nonconventional beliefs deemed unacceptable from the point of view of traditional Islam These issues have been chosen as representative of the most controversial still considered taboo in both legal and social terms hence at the fringes of the debate on individual freedoms Focusing on two overlooked and underexplored issues the work thus pushes the boundaries of the human rights discourse in Muslim contexts

Uniform Prejudice Thomas C. Rust, 2025-03-25 This book examines the historical experiences of LGBTQ individuals facing discrimination in the early 20th century military before same sex acts were explicitly illegal Centered on the court martial of Private Laurence Edgar Moon in 1912 the book sheds light on the broader landscape of prejudice prior to the explicit criminalization of same sex acts in 1916 Through Moon s case the narrative delves into the interplay of gender sexuality and power within the military and society Army officers enforced a simplistic binary understanding of sexuality and masculinity linking moral character to sexual behavior Moon s experience challenges this narrow view revealing the complexities surrounding turn of the century notions of masculinity and sexual identity Employing a microhistorical approach grounded in queer theory the book uncovers often overlooked stories of queer service members who faced discrimination yet remained dedicated to their duty It also highlights the evolving language and legal definitions related to same sex acts and the cultural anxieties surrounding them illustrating the importance of queer theory and microhistory in understanding marginalized experiences *Uniform Prejudice* offers a compelling narrative of a century long history of prejudice and persecution faced by LGBTQ individuals in the military The engaging microhistorical approach captivates readers while addressing significant theoretical and historical themes This accessible book is aimed at scholars students and general readers interested in LGBTQ history military history and the ongoing challenges and advancements of LGBTQ individuals in the U S military urging a more inclusive and intersectional perspective
