THE DOUBLE COST OF PORNOGRAPHY

Dr. Jeff Amisbaugh

Pay Per View The Double Cost Of Pornography

Peter Alilunas

Pay Per View The Double Cost Of Pornography:

Pay-per-view Jeff Amsbaugh,2008 **Pornified** Pamela Paul,2025-03-14 Strips porn of its culture war claptrap Pornified may stand as a Kinsey Report for our time San Francisco Chronicle Porn in America is everywhere not just in cybersex and Playboy but in popular video games advice columns and reality television shows and on the bestseller lists Even more striking as porn has become affordable accessible and anonymous it has become increasingly acceptable and a big part of the personal lives of many men and women In this controversial and critically acclaimed book Pamela Paul argues that as porn becomes more pervasive it is destroying our marriages and families as well as distorting our children s ideas of sex and sexuality Based on more than one hundred interviews and a nationally representative poll Pornified exposes how porn has infiltrated our lives from the wife agonizing over the late night hours her husband spends on porn Web sites to the parents stunned to learn their twelve year old son has seen a hardcore porn film Pornified is an insightful shocking and important investigation into the costs and consequences of pornography for our families and our culture Smutty Little Movies Peter Alilunas,2016-08-23 Smutty Little Movies traces the adult film industry s transition from celluloid to home video beginning in the late 1970s alongside an examination of the cultural and legal efforts to regulate contain limit or eradicate pornography Drawing on a wide variety of materials Smutty Little Movies de centers the film text in favor of industrial histories and contexts In doing so the book argues that the struggles to contain and regulate pleasure represent a primary entry point for situating adult video s place in a larger history not just of pornography but media history as a whole Provided by publisher

Screen Digest ,2003 **Case Studies in Business, Society, and Ethics** Tom L. Beauchamp,2004 A collection of 36 original and reprinted contemporary cases that focus on ethical and social issues surrounding business Readers will be made aware of situations that require moral reflection judgment and decision making thus revealing the complexities that surround moral choices and the formation of public policy Arguments included address employees and the workplace customers clients and consultants stakeholder interests and government interests competitive markets and problems of justice For business professionals and others interested in business ethics and policies q Tolley's Communications Law ,1998 *The New World of Economics* Richard B. McKenzie,Gordon Tullock,2012-05-16 The New World of Economics 6th edition by Richard McKenzie and Gordon Tullock represents a revival of a classic text that when it was first published changed substantially the way economics would be taught at the introductory and advanced levels of economics for all time In a very real sense many contemporary general audience economics books that seek to apply the economic way of thinking to an unbounded array of social issues have grown out of the disciplinary tradition established by earlier editions of The New World of Economics This new edition of The New World will expose new generations of economics students to how McKenzie and Tullock have applied in a lucid manner a relatively small number of economic concepts and principles to a cluster of topics that have been in the book from its first release and to a larger number of topics that are new to this edition with the focus of the new topics on

showing students how economic thinking can be applied to business decision making This edition continues the book's tradition of taking contrarian stances on important economic issues Economics professors have long reported that *The New World* is a rare book in that students will read it without being required to do so **Asians on Demand** Feng-Mei Heberer, 2023-08-29

Does media representation advance racial justice While the past decade has witnessed a push for increased diversity in visual media *Asians on Demand* grapples with the pressing question of whether representation is enough to advance racial justice Surveying a contemporary cutting edge archive of video works from the Asian diaspora in North America Europe and East Asia this book uncovers the ways that diasporic artists challenge the narrow and damaging conceptions of Asian identity pervading mainstream media Through an engagement with grassroots activist documentaries experimental video diaries by undocumented and migrant workers and works by high profile media artists such as Hito Steyerl and Ming Wong Feng Mei Heberer showcases contemporary video productions that trouble the mainstream culture industry's insistence on portraying ethnic Asians as congenial to dominant neoliberal values Undermining the demands placed on Asian subjects to exemplify institutional diversity and individual exceptionalism this book provides a critical and nuanced set of alternatives to the easily digestible forms generated by online streaming culture and multicultural lip service more broadly Employing feminist racial and queer critiques of the contemporary media landscape *Asians on Demand* highlights how the dynamics of Asian representation play out differently in Germany the United States Taiwan and Spain Rather than accepting the notion that inclusion requires an uncomplicated set of appearances the works explored in this volume spotlight a staunch resistance to formulating racial identity as an instantly accessible consumer product **The**

Story Of A Troubled Poet Marcus Gentry JR, 2015-05-29 A innovative description of some of the hardest moments of my life my pain my fears my glory This is poetry at its best *Combating Human Trafficking* Michael J. Palmiotto, 2014-12-01 A centuries old crime human trafficking occurs not only in undeveloped countries but also in some surprising locations Right here in the United States individuals are recruited transported and held by unlawful means either through deception or under threat of violence Approaching the topic from a law enforcement perspective *Combating Human Trafficking A Multidisciplinary Approach* provides an unprecedented look at the investigation of this phenomenon in America Beginning with historical sociological and psychological perspectives the book discusses how authorities can best conduct an investigation of trafficking It reviews federal agencies responsible for confronting the problem examines relevant laws and legal trends and discusses law enforcement awareness and training Individual chapters written by experts in law enforcement explore a host of topics including Border issues between Mexico and the U S including the trafficking of people drugs and firearms The role of the Internet in human trafficking Child victim recruitment into sex trafficking How sexually oriented businesses such as escort services hostess bars and massage parlors can be fronts for sex trafficking The prevalence of human trafficking among street gangs Forced labor aspects especially with respect to illegal immigrants How victims are

chosen Theoretical practical and ethical considerations in providing effective services to victims An ideal resource for police investigators police training and community outreach organizations the book is also suitable as a college text for criminal justice courses It is hoped that the awareness created through this text will provide the knowledge and tools needed to help to end this form of modern day slavery

Fatal Advice Cindy Patton,1996 The American public responded to the first cases of AIDS with fear and panic Both policymakers and activists were concerned not only with stopping the spread of the disease but also with guiding the public's response toward those already infected Fatal Advice is an examination of how the nation attempted with mixed results to negotiate the fears and concerns brought on by the epidemic A leading writer on the cultural politics of AIDS Cindy Patton guides us through the thicket of mass media productions policy and public health enterprises and activist projects as they sprang up to meet the challenge of the epidemic shaping the nation's notion of what safe sex is and who ought to know what about it There is the official story and then there is another involving local groups and AIDS activists Going back to early government and activist attempts to spread information Patton traces a slow separation between official advice and that provided by those on the front lines in the battle against AIDS She shows how American anxieties about teen sex played into the nation's inadequate education and protection of its young people and chronicles the media's attempts to encourage compassion without broaching the touchy subject of sex or disrupting the notion that AIDS was a disease of social and sexual outcasts Her overview of the relationship between shifting medical perceptions and safe sex advice reveals why radical safe sex educators eventually turned to sexually explicit including pornographic representations to spread their message and why even these extreme tactics could not overcome the misguided national teaching on AIDS Patton closes with a stirring manifesto an urgent call to action for all those who do not want to see the hard lessons of AIDS education and activism wasted or with these lessons the loss of so many more lives

New Times ,1978

Beer, Boxers, Batteries, and Bodily Noises Stuart Kantor,Mark King,2004-11 In this uproarious tome of testosterone the minds and actions of men are dissected cross sectioned and presented on a literary platter for all to enjoy Women the world over we implore you to read digest and purchase hundreds of copies for friends and relatives In a world of glorified violence Beer Boxers Batteries and Bodily Noises will help smooth the battle of the sexes for now women will become not only the fairer sex but the smarter one

Pornography Rebecca Sullivan,Alan McKee,2015-10-19 Written for a broad audience and grounded in cutting edge contemporary scholarship this volume addresses some of the key questions asked about pornography today What is it For whom is it produced What sorts of sexualities does it help produce Why should we study it and what should be the most urgent issues when we do What does it mean when we talk about pornography as violence What could it mean if we discussed pornography through frameworks of consent self determination and performance This book places the arguments from conservative and radical anti porn activists against the challenges coming from a new generation of feminist and queer porn performers and educators Combining sensitive and detailed discussion of case studies with careful attention to the

voices of those working in pornography it provides scholars activists and those hoping to find new ways of understanding sexuality with the first overview of the histories and futures of pornography **Cinema Canada** ,1976 **Maximum PC** ,2001-06 Maximum PC is the magazine that every computer fanatic PC gamer or content creator must read Each and every issue is packed with punishing product reviews insightful and innovative how to stories and the illuminating technical articles that enthusiasts crave **The Rough Guide to Andalucia** Geoff Garvey,Mark Ellingham,2003 The Rough Guide to Andalucia is the essential handbook to one of Europe s most vibrant destinations Features include Full colour section introducing Andalucia s highlights Incisive reviews of the best places to eat sleep and drink in every price range Comprehensive coverage of the region s spectacular attractions from the stunning White Town of La Ronda to the remarkable prehistoric site of Los Millares Insider tips on where to find the best beaches and hikes Expert background on Andalucia s history culture and wildlife Maps and plans for every area *Broadcasting & Cable* ,2004 *The New York Times Index* ,2004 **Billboard** ,2004-11-20 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends
