Twerski,2024-05-01 An addiction specialist gets to the heart of stubborn weight problems Invaluable for anyone who wants to overcome overeating John Bradshaw 1 New York Times bestselling author of Homecoming Diets don t work The pounds may slide off but for too many dieters once the food scales and calorie counters have been put away the weight returns Dr Abraham Twerski a psychiatrist specializing in addictive behavior shows that it is not lack of willpower that leads to overeating but an absence of self esteem To develop healthy eating habits a person must first develop a strong sense of self With his characteristic upbeat style Dr Twerski explains The seemingly illogical compulsion of overeating and its connection to low self esteem The origins and evolutions of low self esteem and how to identify common problems of a negative self image How to rely on yourself instead of food in times of stress anger and fear How to deal with friends and family members who may contribute to an unhealthy self image and eating habits How to find the courage to change lifelong habits and where to get outside help in the form of therapy and support groups With Dr Twerski s straightforward and honest approach losing weight is redefined as gaining a sense of self and banishing diets forever **Loving the FAT You While Shedding the Pounds!** B. Ed Linace Gordon-Coleman,2016-08-20 This book Loving the Fat You while Shedding the Pounds is a

powerful book that is geared towards persons who are struggling with their weight low self esteem and self acceptance Have you ever been verbally or physically abused because of your weight Have you ever faced medical conditions such as heart attack stroke diabetes high blood pressure among others because you are overweight Do you have an overweight spouse or friend that you want to help lose the weight but do not know how to do so Do you have relationship problems because your spouse got overweight after marriage Do you want to be able to wear whatever you want when you go into a store Do you want to live a long healthy life with your spouse friends family members or kids Do you wish you were thinner healthier and happier about your life This book is designed just for you This book will help you to Love and accept your Fat You completely Exercise self discipline in losing the weight Persevere until you have accomplished your weight loss goal Love your overweight spouse friend unconditionally Improve your health family and relationships Purge yourself of destructive habits and persons that hinder your weight loss Become the best you that God have created you to be This book comes complete with a personal journal at the end of each chapter for you to write about your weight loss journey There is also a section

where you make a personal commitment to the principles in this book as well as a prayer at the end of each chapter inviting supernatural help during your weight loss journey This is a holistic guide to not just weight loss but to emotional spiritual and mental well being Love More, Binge Less and Stay Fit Merideth Ussery,2014-09-08 Love More Binge Less and Stay Fit breaks new ground with its cutting edge approach to permanent weight loss For the first time overcoming years of constant weight struggle is defined by more than nutrition and exercise We all want to know how to escape from ongoing weight fluctuations food guilt dieting misery and body image insecurity We also want to know how to find the best diet to get to our dream body size and weight that we imagine will provide a turning point toward a fit body and self confidence In this book Annie Stern writes with compassion and great insight to isolate the four big obstacles and the five secrets that change the perspective of weight loss and the diet industry The goal is to create permanent changes between the relationship we have with food and with our body This book provides a road map to illustrate why restrictive diets followed by guilt ridden binges overeating and body hatred show up in our life as a constant weight struggle Have you tried every new diet or weight loss plan and chronic exercising but you re still gaining back the pounds you lost within a few months Perhaps this frustration sends you in search of still another plan which ends in the spinning wheel of compulsion to dieting for years to come In that case this book is for you Our degree of readiness is the key to paying attention to what s behind the symptoms as we seek the solutions for how to stop fighting food fighting with our fridge or fighting with our body but mainly with ourselves Only then we will find real joy with our bodies again *Love Yourself & Lose Weight* Katie Lips,2021-11-11
