Directory of World Cinema: Japan 3 John Berra, 2015-01-01 Like its predecessors Directory of World Cinema Japan 3 endeavours to move scholarly criticism of Japanese film out of the academy and into the hands of cinephiles the world over This volume will be warmly welcomed by those with an interest in Japanese cinema that extends beyond its established names to equally remarkable filmmakers who have yet to receive such rigorous attention **The Paths of Zatoichi**

Jonathan Wroot, 2021-10-01 The Paths of Zatoichi charts the history and influence of the Japanese film and television franchise about Zatoichi the blind swordsman The franchise is comprised of 29 films and 100 TV episodes starring the famous Shintaro Katsu who starred in 26 of the 29 feature films They all follow the adventures of a blind masseur in medieval Japan who wanders from village to village and often has to defend himself with his deadly sword skills The first film was released in 1962 and the most recent in 2010 These dates demonstrate how the franchise can be used as a means of charting Japanese cinema history via the shifts in production practices and audience preferences which affected the Zatoichi series and numerous other film and TV texts Zatoichi signifies a huge area of Japanese film history which has largely been ignored in much existing scholarly research and yet it can reveal much about the appeal of long running characters franchises and their constant adaptation and influence within global popular culture Contemporary Japanese Cinema Since Hana-Bi

Adam Bingham, 2015-06-23 This book studies the key genres in contemporary Japanese cinema through analysis of their key representative films It considers both those films whose generic lineage is clearly definable samurai yakuza horror as well as the singularity of several recent trends in the country's filmmaking such as magic realist filmmaking **Cult Cinema** Ernest Mathijs, Jamie Sexton, 2011-05-02 Cult Cinema an Introduction presents the first in depth academic examination of all aspects of the field of cult cinema including audiences genres and theoretical perspectives Represents the first exhaustive introduction to cult cinema Offers a scholarly treatment of a hotly contested topic at the center of current academic debate Covers audience reactions aesthetics genres theories of cult cinema as well as historical insights into the topic **The**
