*Just Work?* Aziz Choudry, Mondli Hlatshwayo, 2015-12-20 This book offers a vast range of grassroots perspectives on global migrant labour organisation in the twenty first century From workers organisations in South African migrant worker resistance in the Gulf from forest workers in the Czech Republic to domestic workers structures in Hong Kong this book brings together a wealth of lived experiences and hidden struggles for the first time Highlighting the changing nature of frontline struggles against exploitation Just Work shows that migrant workers are finding new and innovative ways of resisting neoliberal immigration measures as they are forced to fight against the precarious nature of jobs from both within and outside of traditional forms of labour organisations With contributions from scholars and activists from around the world engaged in this resistance this will be an accessible collection based on grassroots experiences placed in a political economy framework The full list of regions explored are South Africa Latin America Philippines the Gulf Arab States North America Czech Republic Hong Kong Japan London Nigeria New Zealand Canada and Switzerland

**The Precarious Migrant Worker** Panos Theodoropoulos, 2025-06-13 Migrant workers in the West are at the frontline of the precarious condition that is coming to dominate social and economic life in neoliberal societies Yet despite the highly insecure and exploitative working conditions they routinely face labour mobilizations by precarious workers are rare In this immersive portrait of the daily realities of precarious migrant labour Panos Theodoropoulos found work in Glasgow s warehouses factories and kitchens to uncover the ways that precarity is lived and contested Connecting the realms of structure subjectivity and culture his analysis shows that precarity not only dictates workers labour conditions but socializes them in an individualist survival oriented struggle that erodes solidarities and enforces its own neoliberal logic Crucially however precarity and the wider neoliberal culture are unable to erase workers material awareness and experience of class injustice This points to the possibility of forging strong connections and methods of resistance firmly grounded in the lives and communities of precarious workers Blending interviews ethnographic notes and social theory The Precarious Migrant Worker offers a unique glimpse into our increasingly precarious social reality and will be a valuable resource for scholars students and activists interested in issues of migration precarity and resistance

**Immigrant and Migrant Workers Organizing in Canada and the United States** Jorge Frozzini, Alexandra Law, 2017-11-08 Across Canada and the United States immigrant workers face important obstacles at work and in the broader society whether their immigration status is temporary permanent or nonexistent Hyper precarious workers of all status groups and their allies in unions and worker centers are organizing to improve their conditions In this book Jorge Frozzini and Alexandra Law two longtime volunteers with a Canadian worker center draw on their own experience in depth interviews and academic work from the fields of law communication studies and social movement theory to produce a tactically focused theoretically informed introduction to immigrant worker organizing in a neoliberal era Frozzini and Law describe the phenomenon of employment precarity in the context of U S and

Canadian labor history explaining how union certification and collective bargaining function under the law Without directing activists toward any single best strategy they cover tactical and ethical questions raised when organizers offer casework as a recruitment and research tool The royalties from this book will go to the Immigrant Workers Centre Montreal **Migration in South Asia** S. Irudaya Rajan,2023-06-28 This open access Regional Reader provides a contemporary look at the emerging challenges and issues facing South Asian migration amidst covid 19 and discusses a framework for a sustainable and cooperative migration from and within the region which will impact both the economic and regional development of South Asia The book draws a focus on this area through an interdisciplinary and holistic lens and follows the three broad areas of migration studies in South Asia Governance and mobility Family health and demography and Forced migration It thereby covers a number of issues from South Asian countries such as Afghanistan Bangladesh Bhutan India Nepal Pakistan and the Maldives This book is a valuable resource for those who want to understand the dynamics of migration from the largest migrant sending region in the world and one which will determine the shape of global migration patterns in the future

Essential Work, Disposable Workers Mostafa Henaway,2023-07-20T00:00:00Z Across the world we are witnessing daily the lethal effects of a rapid and scary hardening of borders ignited and justified by manufactured fear and scarcity In such conditions highly exploitative ideas of managed migration are presented as reasonable and just And temporary worker programs championed by countries like Canada and the US are presented as an acceptable response to both acute labour shortages and ugly nationalist feelings For this all workers pay the price in the form of dwindling rights and diminished solidarity This book is the result of decades of thinking organizing and deep research on the global struggle for equality and freedom in and against an increasingly walled world Through this immediate and up close account Henaway takes the reader on a journey across a familiar consumer landscape of corporate power from Amazon and Dollarama to chicken farms and late night rideshares offering a vivid analysis of the consequences of a system built to marginalize exploit and divide people through the creation of exclusionary categories of belonging In Essential Work Disposable Workers Henaway offers a counter proposal to the global border arguing that we reject control over freedom of movement as a means to halt a race to the bottom for all working people and instead build solidarity across struggles for decent work and justice In this moving account of a global system of hyper exploitation Henaway weaves stories of struggle with his own on the ground experience and expansive research to explain the workings of a global system of managed precarity that affects everyone who works albeit unequally Written with the unique verve and insight of a committed scholar and decades long grassroots organizer Essential Work Disposable Workers offers a vivid analysis to help us grasp the cruel consequences of borders and points to an alternative future **Routledge Handbook of Citizenship in the Middle East and North Africa** Roel Meijer,James N. Sater,Zahra R. Babar,2020-11-23 This comprehensive Handbook gives an overview of the political social economic and legal dimensions of citizenship in the Middle East and North Africa from the nineteenth century to the present The terms citizen

and citizenship are mostly used by researchers in an off hand self evident manner A citizen is assumed to have standard rights and duties that everyone enjoys However citizenship is a complex legal social economic cultural ethical and religious concept and practice Since the rise of the modern bureaucratic state in each country of the Middle East and North Africa citizenship has developed differently In addition rights are highly differentiated within one country ranging from privileged underprivileged and discriminated citizens to non citizens Through its dual nature as instrument of state control as well as a source of citizen rights and entitlements citizenship provides crucial insights into state citizen relations and the services the state provides as well as the way citizens respond to these actions This volume focuses on five themes that cover the crucial dimensions of citizenship in the region Historical trajectory of citizenship since the nineteenth century until independence Creation of citizenship from above by the state Different discourses of rights and forms of contestation developed by social movements and society Mechanisms of inclusion and exclusion Politics of citizenship nationality and migration Covering the main dimensions of citizenship this multidisciplinary book is a key resource for students and scholars interested in citizenship politics economics history migration and refugees in the Middle East and North Africa

**Tagalog Stories for Language Learners** Joi Barrios, 2021-10-05 The most enjoyable way to learn about a new culture is through its stories especially when they are told in two languages This book introduces 40 stories from the Philippines through bilingual Tagalog and English texts presented on facing pages Paired with cultural notes vocabulary lists exercises comprehension questions and free online audio recordings Tagalog Stories for Language Learners is an excellent resource for intermediate language learners or those who wish to pick up a bit of Philippine cultural knowledge This compilation includes a mix of traditional folktales retold for a modern audience as well as several well known works of contemporary Philippine literature Along the way you will meet fabulous mythological characters like the Bagobo goddess Mebuyan and the shape shifting Aswang Other characters cope with day to day issues such as the domestic worker who cannot find her keys and a beauty queen who leaves behind her comfortable city life in order to help peasants in the countryside Four of the stories are by well known Filipino writers and are presented in complete or partially condensed form These include Estrangheritis by Inigo Ed Regalado 1907 The writer is critical of Filipinos who exalt all things foreign while in fact benefitting from their own land but unappreciative of their national culture Desire by Paz Latorena 1928 The story of a Filipino woman who has to deal with the narrow mindedness of a foreigner who is far more interested in her body than in her personality Greta Garbo by Deogracia Rosaro 1930 Monina who looks like Greta Garbo plans a weekend getaway with her beau only to be left at the station waiting and later discovers he has gone on a honeymoon Maria Elena Paterno's Sampaguita 1991 Two popular legends about the Sampaguita Philippine jasmine flower which touch on the themes of courage and forbidden love

*Supply Chain Cinema* Kay Dickinson, 2024-02-08 Why are big budget films typically made across an array of seemingly dissociated sites Supply Chain Cinema shows how the production journeys of such films exemplify the principles of the supply chain whose core

imperative is to nimbly and opportunistically manufacturing wherever is most amenable and efficient Through extensive on site investigations and in depth interviews with film professionals Kay Dickinson delivers nuanced insight into working practices in the UK and the UAE Among the sites she examines is Warner Bros permanent base at Leavesden Studios near London From tax breaks designed to attract foreign projects to infrastructures logistical support and expertise offered she considers why Hollywood giants elect to make more of their films in Britain than in the USA Dickinson goes on to show how the UK s ambitions to enlarge its creative economies has opened up a host of competitive advantages with British higher education increasingly fashioned to conform to the needs of border hopping enterprise thus generating a workforce keenly adapted to the demands of blockbuster moviemaking Contesting Colonial Capitalism in the Americas, Africa, and Asia Dip Kapoor,2025-03-20 This book is a critical excavation of capitalist development that is being driven by the Global North in the modern neo colonial era with a related focus on the anticolonial and anticapitalist resistance by Indigenous Peoples peasants and migrant workers in Africa Asia Middle East and the Americas Caribbean Informed by the work of Dr Abdul Aziz Choudry the contributors demonstrate how Indigenous peasant and migrant worker learning in political action and knowledge production are essential for growing and sustaining social movements and organised struggles The collection demonstrates how these resistances challenge racialized processes of territorial occupation accumulation by dispossession exploitation and cultural and educational imperialism Focusing on the regions of the Americas Caribbean Africa Asia Middle East and across both settler and exploitation colonies the chapters amplify Indigenous peasant and migrant worker activism and draw out critical perspectives pertaining to colonial capital The Indigenous anticolonial and anticapitalist politics highlighted in this book will be essential reading for activists engaged with international relations and social change It will also inform the work of students and critical scholars of social movement and resistance studies critical development studies Indigenous studies peasant and critical agrarian studies migrant labour studies sociology political science and regional area studies

**Marxism and Migration** Genevieve Ritchie,Sara Carpenter,Shahrzad Mojab,2022-08-18 This book approaches migration from Marxist feminist anti imperialist and anti colonial perspectives The present conditions of transnational migration best described as a kind of social expulsion include migrant caravans and detained unaccompanied children in the United States thousands of migrant deaths at sea the razing of self organized refugee camps in Greece and the massive dispersal of populations within and between countries Placing patriarchal capitalism imperialism racialization and fundamentalisms at the center of the analysis Marxism and Migration helps build a more coherent and historically informed discussion of the conditions of migration resettlement and resistance Drawing upon a range of academic disciplines and diverse geopolitical regions the book rethinks migrations from the vantage point of class struggle and seeks to ignite a more robust discussion of critical consciousness racialization militarization and solidarity India's Bangladesh Problem Navine Murshid,2023-04-06 In recent years Bengali Muslims in India have faced harassment and scapegoating as the trope of the

illegal Bangladeshi has gained political currency India's Bangladesh Problem explores the experience of Bengali Muslims on the Indian side of the India Bangladesh border in the context of neoliberal policies unequal bilateral relations labor migration contested citizenship and increasingly xenophobic government rhetoric Drawing on extensive research in the borderlands and hinterlands of both countries Navine Murshid argues that ever deepening neoliberal policies across the border have shaped how certain ethnic groups are valued and have reconfigured social hierarchies She provides new insights into the strategic inclusion exclusion and invisibility that characterizes Bengali Muslims lives rendering them a group susceptible to manipulation by virtue of their ethnic kinship to the majority of Bangladeshis In turn Bengali Muslims simultaneously resist and utilize received neoliberal ideas to sustain their lives and livelihoods at a time when neoliberal development has largely bypassed them

The Class and Gender Politics of Chinese Online Discourse Yanning Huang, 2024-06-07 This book offers an in depth study of the quasi political self deprecating and parodic buzzwords and memes prevalent in Chinese online discourse Combining discourse analysis with in depth audience research among the young internet users who deploy these buzzwords in on and offline contexts the book explores the historical and social implications of online wordplay for sustaining or challenging the contemporary social order in China Yanning Huang adopts a combination of media and communications social anthropology and socio linguistic perspectives to shed light on various forms of agency enacted by different social groups in their embracing negotiation of or disengagement from online buzzwords before addressing how the discourses of online wordplay have been co opted by corporations and party media Offering a rigorous and panoramic analysis of the politics and logics of online wordplay in contemporary China and providing a critical and nuanced analytical framework for studying digital culture and participation in China and elsewhere this book will be an important resource for scholars and students of media and communication studies Internet and digital media studies discourse analysis Asian studies and social anthropology

Transnational Civil Society in Asia Simon Avenell, Akihiro Ogawa, 2021-07-22 This edited volume addresses how transnational interactions among civil society actors in Asia and its sub regions are helping to strengthen common democratic values and transform dominant processes of policymaking and corporate capitalism in the region The contributors conceive of transnational civil society networks as constructive vehicles for both informing and persuading governments and businesses to adopt modify or abandon certain policies or positions This volume investigates the role of such networks through a range of interdisciplinary approaches bringing together case studies on Asian transnationalism from South Southeast and Northeast Asia across four key themes local transformations and connections diaspora politics cross regional initiatives and networks and global actors and influences Chapters demonstrate how transnational civil society is connecting people in local communities across Asia in parallel to ongoing tensions between nation states and civil society By highlighting the grassroots regionalization emerging from ever intensifying information exchange between civil society actors across borders as well as concrete transnational initiatives uniting actors across Asia the volume advances the

intellectual mandate of redefining Asia as a dynamic and interconnected formation Transnational Civil Society in Asia will appeal to students and scholars of international relations politics and Asian studies more broadly **The Challenge of Labour in China** Chris King-chi Chan, 2012 China's economic success has been founded partly on relatively cheap labour In recent years however there has been growing concern about wages and labour standards in China This book examines how wages are bargained fought over and determined in China exploring how the pattern of labour conflict has changed over time

*Living across connectivity* Beatrice Zani, Isabelle Cockel, 2024-06-04 This volume fills a major gap in publications on migration and digital media worlds by bringing information and communication technology ICT to the fore of our understanding of migrants experiences in and practices of connectivity and mobility During recent decades migration within and from East Asia has become paradigmatic of the changing substance and patterns of global mobility Focusing on migration within and beyond East Asia a region defined by its global migration and its leading role in ICT use and development this volume explores the pervasive use of smartphones as an everyday reality for East Asian migrants advocating the necessity of understanding how they live their lives both online and offline In this respect the originality of this volume lies in its interdisciplinary analysis of migrants activities at the crossroads between physical and digital spaces Our theoretical innovation and empirical findings will open an avenue to investigate the novel shape and scales of contemporary connectivity and mobility

**Crises at Work** Steve Williams, Mark Erickson, 2024-09-06 It is impossible to view the news at present without hearing talk of crisis This timely book looks at how three major crises the economy pandemic and climate are related to the crisis of work making it more precarious intense and unequal Providing an original and critical synthesis of recent trends in the field expert scholars offer a programme for transcending the crisis of work Offering a timely contribution to understanding the important issues facing the world this book presents an important new way of thinking about work in contemporary societies **Spin Doctors** Nora Loreto, 2021-11-24T00:00:00Z As Canada was in the grips of the worst pandemic in a century Canadian media struggled to tell the story Newsrooms already run on threadbare budgets struggled to make broader connections that could allow their audience to better understand what was really happening and why Politicians and public health officials were mostly given the benefit of the doubt that what they said was true and that they acted in good faith This book documents each month of the first year of the pandemic and examines the issues that emerged from racialized workers to residential care to policing It demonstrates how politicians and uncritical media shaped the popular understanding of these issues and helped to justify the maintenance of a status quo that created the worst ravages of the crisis Spin Doctors argues alternative ways in which Canadians should understand the big themes of the crisis and create the necessary knowledge to demand large scale change **Low-Paid EU Migrant Workers** Catherine Barnard, Fiona Costello, Sarah Fraser Butlin, 2024-04-24 Available open access digitally under CC BY NC ND licence This book offers an in depth exploration of the lives of EU migrant workers in the UK following Brexit and COVID 19 Drawing on a

longitudinal study the book delves into the legal problems migrant workers face and sheds much needed light on the hidden interactions between the law and communities around issues such as employment housing welfare and health Through personal narratives and insights gathered from interviews it reveals how clustered legal problems arise are resolved and often bypass formal legal resolution pathways This is an invaluable resource that provides a rich picture of everyday life for migrant workers in the UK and highlights the vital role of NGOs working to support them The Politics of People Shih-Diing Liu, 2019-08-23 Since the 1989 Tiananmen Square occupation mainland China Hong Kong and Macau have experienced an increase in and persistence of mass gatherings demonstrations and blockades staged as a means of protesting the ways in which people are In this book Shih Diing Liu argues that these popular protests are poorly understood because they are viewed through the lens of protests and occupations globally with insufficient attention given to their distinctively local aspects He provides a better account of these distinctively Chinese style occupations by describing contextualizing and analyzing a range of relevant recent case studies Liu draws on theoretical concepts developed by Judith Butler Jacques Ranci re Ernesto Laclau and other contemporary critical theorists and shows the the importance of considering bodily spatial and visual dimensions of these protests By seeing them as staged contentious performances the author demonstrates how these precarious populations mobilize their bodies and symbolic resources offered by the Chinese government to open up temporary spaces of appearance to articulate their grievances and argues that this kind of embodied and performative analysis should be more widely conducted in studies of popular politics worldwide *Handbook of Migration and Global Justice* Weber, Leanne, Tazreiter, Claudia, 2021-08-27 This timely Handbook brings together leading international scholars from a range of disciplinary backgrounds and geopolitical perspectives to interrogate the intersections between migration and global justice It explores how cross border mobility and migration have been affected by rapid economic cultural and technological globalisation addressing the pressing questions of global justice that arise as governments respond to unprecedented levels of global migration
