Scottish Rock Gary Latter, 2009-02 The best mountain

crag sea cliff and sport climbing in Scotland From the Foreword by Hamish MacInnes If you have an ambition to do all the climbs in these two Scottish Rock guides I think you d better schedule time off in your next life This labour of Gary s has been of gargantuan proportions Those of you who use the guides will benefit by his dedication and the sheer choice offered if you divide the retail price of these by the number of good routes you ll realise this is a bargain Volume 1 covers a proliferation of Scottish crags up to the natural demarcation of the Great Glen They are easier to access than most in Volume 2 and present infinite variety I have been a long time advocate of selected climbs and the use of photographs to illustrate both climbs and action I m glad that this principle has been used throughout these two volumes It gives you a push to get up and do things The list seems endless and if you succeed in doing half of them you ll be a much better climber and know a lot more about Scotland have a good decade
