Van Horn,2017-03-14 This book illustrates how Christianity in the modern

era has been shaped in the direction of subjectivity In the Enlightenment after Locke required faith to submit to reason's judgment Kant argued that religion should remain within the bounds of reason only Schleiermacher shifted attention away from belief to devotion to Christ and a feeling of absolute dependence on God Rejecting Hegel's system Kierkegaard summoned his readers to a unique subjective approach to justification by faith Revivalist Evangelicalism has been perceived and portrayed itself as a rejection of modernism This study argues instead that the Evangelical revivalist movement is unmistakably modern in its assumptions regarding the nature of faith The Pietist impulse fueled in part by modern anthropocentrism and subjectivism in religious belief was appropriated by the Evangelical revivalists such as John Wesley George Whitefield Jonathan Edwards and later Charles Finney In short Christianity today is a religion of the heart **Schall on Chesterton** James V. Elenchin,2019-02-27

Stress is a concept that has become both increasingly popularized and misunderstood in society Today we often think about how stressed we are many on a daily basis This is especially interesting when we consider that as life has become easier at least from a materialistic standpoint rates of depression and anxiety in our culture have risen It is true that living with too many demands in life can be harmful to our physical and emotional health But it is equally true that when we believe difficult

circumstances are an unnatural part of life we only set ourselves up for increased fear and sorrow Hans Selye the scientist who discovered how stress operates in the mind and body nearly a century ago never intended for it morph into the now common idea that all stress is bad for us Yet that s precisely what has occurred driven by three particular social changes in the last half century This little guide is a back to the basics kind of field manual written for students but is generally for all ages By rethinking the proper role that stress plays in our lives we will be better positioned not only to deal with life s challenges but to embrace all seasons as a part of our journey while on earth *The Nation and Athenæum* ,1910 **On the Unseriousness of Human Affairs** James V. Schall,2023-05-02 In this wise and witty book acclaimed author James Schall illuminates a fundamental truth that will shock ceaselessly busy and ambitious Americans human affairs are unserious Following Plato Schall shows why singing dancing playing contemplating and other useless human activities are not merely forms of escape but also indications of the freedom in and for which men and women were created The joy that accompanies leisure festivity and conviviality he demonstrates gives us a glimpse of the eternal On the Unseriousness of Human Affairs offers a vital message that is truly countercultural **Good Order: Right Answers to Contemporary Questions** Brad Miner,1995 Today s hottest issues urban crime school choice family values congressional term limits and more are examined explained and resolved by the nation s leading advocates of the conservative agenda *Crumbs from a Bum* Matthew B. Wincowski,2014-09-16 Finding a coherent set of answers to lifes age old questions can be an onerous undertaking Yet the questions abound in our culture and a rational collection of answers is seemingly ungraspable Commoners have been led to believe that beliefs are irreversibly inconsequential Youngsters are boldly instructed to merely seek success Teachers unblushingly preach to students that there is no such thing as truth With uncountable opinions and beliefs put forth who ought we to trust Should we give credence to the preachy words of secularists who do not even have the backbone to adhere to a logically consistent worldview Are we to trust the pop psychologists who unmindfully and unabashedly bypass lifes essential questions Would it be shrewd of us to subscribe to the pluralists who lack the decency to study incommensurable worldviews yet absurdly accept contrasting worldviews as equally valid Whom shall we trust In a culture where common sense has commonly vanished amongst commoners we would do well to welcome common sense into our lives Thinking episodically has become the modern routine and yet such a routine suffocates us in the ruins of our own lack of thinking for thinking episodically is really no way of thinking at all Perhaps just perhaps the answers to lifes most pressing questions are within our reach but first we must be willing to embrace common sense [You Will Be Made to Care](#) Erick Erickson,Bill Blankschaen,2016-02-22 Religious liberty is under attack in America Your freedom to believe may not last much longer To all those who say they don t care about the culture war Erick Erickson has only one response The Left will not let you stay on the sidelines You will be made to care Now the former Editor in Chief of RedState com joins with Christian author Bill Blankschaen to expose the war in America on Christians and all people of faith who refuse to bow to the worst kind of

religion secularism one intent on systematically imposing its agenda and frightening doubters into silence The book features first hand accounts from Christians who ve been punished for their beliefs and the perspectives of concerned thought leaders to make the case that Americans of faith can t afford to ignore what s happening not anymore You Will Be Made to Care offers hope for preserving freedom of conscience with practical steps that believers families pastors church leaders and citizens can take to resist tyranny and experience a resurgence of faith in America Fidelity ,1988 **All You Want to Know About Hell** Steve Gregg,2013-11-12 All You Want to Know About Hell breaks down the three most popular views on hell and tells us what the Bible really says about this terrifying and mystifying place It is an undeniable fact that the very concept of hell is shrouded in mystery We know what books and movies tell us hell is like but we re left with so many questions Is hell simply a place where sinners are sent to suffer for their sins or is it more than that How could a loving God send anyone to hell Does the Bible give us a clear and consistent picture of hell What does the existence of hell tell us about God s character Steve Gregg author of Revelation Four Views will take you on a tour of the three most popular views on hell and walk you through a clear explanation of what Scripture really says From the traditional view of hell as a place of eternal torment to the early Christian view that hell is a place of suffering intended to purge sin and to bring about repentance no other book gives such in depth biblical insight into the truths about hell that are hidden in all the hype All You Want to Know About Hell is an accessible and interesting read for laypeople pastors and scholars alike **Honey for a Woman's Heart** Gladys Hunt,2010-05-11 Vibrates with encouragement for women who want to explore and enjoy the world of books Gladys Hunt long time advocate of reading and author of the cherished Honey for a Child s Heart has written this new book for busy women who want a wider worldview and stimulus for intellectual and emotional growth Honey for a Woman s Heart explores The wonder of words language and reading What good books offer thoughtful readers What makes a good book The value of reading fiction Best books in genres of fiction nonfiction spirituality and poetry How to enjoy the best of books the Bible The pleasure of sharing books with others Something for everyone no matter what age or reading experience Recommendations for over 500 books to enjoy Pleasant words are a honeycomb sweet to the soul and healing to the bones Proverbs 16 24

Holy Clues Stephen Kendrick,2007-12-18 If God is the greatest mystery of them all then why not in pursuit of God consult the greatest detective of them all In this imaginative and surprisingly profound book Stephen Kendrick reveals Sherlock Holmes as spiritual guide Drawing on the teachings of Christianity Buddhism and Judaism as well as a host of thinkers as varied as Albert Einstein Gandhi and Vincent van Gogh Kendrick explores the stories of Sherlock Holmes and finds remarkably prescient religious insights He shows us the link between careful observation of clues and the Buddhist concept of Bare Attention He illuminates the parallel between the great sleuth s pursuit of justice and God s actions on the scene of the first murder when Cain slew Abel And in the detective s open engaged mind Kendrick finds a model for uniting the principles of science with a sincere spiritual quest The result is a book of inspiration for the modern skeptical searcher

and an entertaining work that sheds new light on the methods of the world's greatest detective *The Politician's Guide to Assisted Suicide, Cloning, and Other Current Controversies* George J. Marlin, 1998 Author George Marlin argues that without respect for personhood liberty will become license and the responsibility to do what is right will degrade into the right to do what is irresponsible Aren't we already there This book provides intelligent politicians and others with philosophical and historical perspectives on some of the toughest issues we Americans face
