More Mogollon Monster Susan A. Farnsworth, 2007-06 [Children's Books in Print](#) R R Bowker Publishing, Bowker, 1999-12 **Monster Trek** Joe Gisondi, 2016-02-01 Bigfoot sightings have been reported in every state except Hawaii Interest in this creature which many believe to be as mythical as a leprechaun is as strong today as ever with the wildly popular show Finding Bigfoot persisting on the Animal Planet network and references to bigfoot appearing throughout popular culture What is it about bigfoot that causes some people to devote a chunk of their lives to finding one In *Monster Trek* Joe Gisondi brings to life the celebrities in bigfoot culture people such as Matt MoneyMaker Jeff Meldrum and Cliff Barackman who explore remote wooded areas of the country for weeks at a time and spend thousands of dollars on infrared imagers cameras and high end camping equipment Pursuing the answer to why these seekers of bigfoot do what they do Gisondi brings to the reader their most interesting and in many cases harrowing expeditions Gisondi travels to eight locations across the country trekking into swamps mountains state parks and remote woods with people in search of bigfoot as well as fame fortune adventure and shared camaraderie

Many of the people who look for bigfoot however go counter to stereotypes and include teachers engineers and bankers Some are private and guarded about their explorations seeking solitude during a deeply personal quest While there are those who might arguably be labeled crazy Gisondi discovers that the bigfoot research network is far bigger and more diverse than he ever imagined **Bigfoot** Bradley Cole,2019-08 Bigfoot also known as Sasquatch has been hunted by people throughout North America for centuries Many people claim to have seen its large footprints But is it real or just folklore Read more to find out **Bigfoot** Daniel Cohen,1982-05-01 Explores the history of the Bigfoot monster examining evidence and reported sightings from various parts of the country to try and determine whether the creature is a hoax or really exists *The Ohio Monster* David Walker,2018-07-11 Do you believe in Bigfoot Or are you one of them people who snicker every time you hear the subject mentioned There is no in between You either believe in the Big Hairy Man or you dont The author of this book not only believes but is also willing to stake his name and reputation on it as well In this book entitled *The Ohio Monster* be prepared to set aside your personal beliefs and take a closer look at the circumstances surrounding the authors encounters with the creature Skeptics will be hard pressed to rationalize away the belief that this could be nothing more than a man dressed in a monkey suit out to play tricks on somebody Hailing from the backwoods of the State of Ohio the author came face to face at an early age with his greatest fear a large hairy monster For the longest time he tried his best to keep away from the Thing as he called it but he simply couldnt outrun destiny Now with the passage of time he feels the thing Bigfoot may have singled him out continued to appear to him because he knew that one day this man would end up defending him Crazy right Well welcome to the world of the supernatural where everythings possible Its a world wherein the elites of science cannot prove or disprove these kind of things Its a world where the average citizen is encouraged to think for themselves without the added baggage of the scientific world telling them otherwise No body or bones to prove Bigfoot exists No problem With a thousand or more verifiable sighting reports within the last fifty years or so somebody is seeing something They cant all be lying And if so for what purpose Some even have long standing careers on the line and still have felt obligated to come forward with their encounters People from all over the world and from all walks of life have claimed to have seen monstrous types of beings before If true what do we have Ill tell you what we have we have an honest to gosh monster on our hands thats what And thats exactly what this book is about the authors experiences with just one of these type of beings dubbed the Ohio monster *Bigfoot in Arizona* Frank Hendersen,2023-09-03 Welcome to Bigfoot in Arizona Mysterious Encounters a spine chilling compilation of first hand accounts of interactions with the enigmatic and elusive creature known as Bigfoot Nestled in the heart of the Southwest Arizona has long been a hotbed for Bigfoot sightings with countless reports spanning decades From the dense forests of the high country to the vast and rugged landscapes of the desert these stories offer a fascinating glimpse into the intriguing world of Bigfoot and the people who have encountered them With each page you ll find yourself immersed in tales of unexplained sightings eerie vocalizations and unshakable
