In Morocco Edith Wharton, 1925 In Morocco Edith Wharton, 2020-06-12 To step on board a steamer in a Spanish port and three hours later to land in a country without a guide book is a sensation to rouse the hunger of the repletest sight seer The sensation is attainable by any one who will take the trouble to row out into the harbour of Algeciras and scramble onto a little black boat headed across the straits Hardly has the rock of Gibraltar turned to cloud when one's foot is on the soil of an almost unknown Africa Tangier indeed is in the guide books but cuckoo like it has had to lay its eggs in strange nests and the traveller who wants to find out about it must acquire a work dealing with some other country Spain or Portugal or Algeria There is no guidebook to Morocco and no way of knowing once one has left Tangier behind where the long trail over the Rif is going to land one in the sense understood by any one accustomed to European certainties The air of the unforeseen blows on one from the roadless passes of the Atlas This feeling of adventure is heightened by the contrast between Tangier cosmopolitan frowsy familiar Tangier that every tourist has visited for the last forty years and the vast unknown just beyond One has met of course travellers who have been to Fez but they have gone there on special missions under escort mysteriously perhaps perilously the expedition has seemed till lately a considerable affair And when one opens the records of Moroccan travellers written within the last twenty years how many even of the most adventurous are found to have gone beyond Fez And what to this day do the names of Meknez and Marrakech of Mogador Saffi or Rabat signify to any but a few students of political history a few explorers and naturalists Not till within the last year has Morocco been open to travel from Tangier to the Great Atlas and from Moulay Idriss to the Atlantic Three years ago Christians were being massacred in the streets of Sal the pirate town across the river from Rabat and two years ago no European had been allowed to enter the Sacred City of Moulay Idriss the burial place of the lawful descendant of Ali founder of the Idrissite dynasty Now thanks to the energy and the imagination of one of the greatest of colonial administrators the country at least in the French zone is as safe and open as the opposite shore of Spain All that remains is to tell the traveller how to find his way about it In Morocco (1920) by Edith Wharton (Travel) Edith Wharton, 2016-01-18 American novelist and designer Edith Wharton traveled to Morocco after the end of World War I Morocco is her account of her time there as the guest of General Hubert Lyautey Her account praises Lyautey and his wife and also the French administration of the country **In Morocco** Edith Wharton, 2017-08-11 Edith Wharton born Edith Newbold Jones January 24 1862 August 11 1937 was a Pulitzer Prize winning American novelist short story writer and designer She was nominated for the Nobel Prize in Literature in 1927 1928 and 1930 Wharton combined her insider's view of America's privileged classes with a brilliant natural wit to write humorous incisive novels and short stories of social and psychological insight She was well acquainted with many of her era's other literary and public figures including Theodore Roosevelt Edith Wharton was born Edith Newbold Jones to George Frederic Jones and Lucretia Stevens Rhinelanders at their brownstone at 14 West Twenty third Street in New York City She had two
