*Healing for the Heart* Peggy Holt, 2012-05 Cancer fibromyalgia and rheumatoid arthritis

are just a few of the chronic illnesses that plague many Americans and Christians are not exempt Living with a serious illness is not easy The challenges extend far beyond the physical realm and maintaining a strong Christian testimony is difficult Growing in godliness and pleasing God do not come naturally In the midst of such complex challenges even the most mature Christians need help They need more than just shared life stories or practical tips for facing their disease They need more than poignant illustrations to inspire them or amusing anecdotes to make them laugh While each of these aspects is helpful what sufferers need most is the encouraging truth of the Bible Only the supernatural unchanging Word of God can give genuine comfort and effective help Healing for the Heart is a devotional designed for Christians who are serious about seeking God s help in their time of illness The entries are focused on Bible truths and are designed to provide encouragement instruction and gentle challenge Strengthen your heart on a daily basis with this biblically based and compassionately shared truth **Chronic Illness Warriors** Robin Dix, 2019-11-08 Do you need to know that you re not alone in your journey with

chronic illness Does God seem far away at times Do you struggle with issues like pain loss and forgiveness Then this devotional is for you my friend Chronic Illness Warriors will help you To say no when you need to without apologies Learn how to feel less isolated Surrender your expectations and embrace your new normal Find joy in the small victories everyday If you find this devotional helpful I hope you ll write to me and let me know and perhaps buy a copy for someone you love or donate one to your local library Robin Dix s devotional is poetic and masterful Her words brought warmth and peace to my heart as I read this inspiring book I have read many different devotionals in the past 30 plus years of living with chronic illness and never have I come across one like this before You can feel the love in her heart speak through her words This is

the most heartfelt devotional She touches on the biggest hurdles that we must learn to live with She offers amazing coping mechanisms and the scripture that she includes with each new topic is transcendent This allows you to fall in love with Gods word all over again but from the viewpoint of the chronically ill I never really knew the distinction until I became sick God only uses our suffering for good and you can feel that as you read on She reminds us that we have a great future and to always keep hope alive in our hearts I plan to keep this devotional by my side always because its nice to be able to pick it up when you are feeling defeated Robin will lift you up with her beautiful prayers at the end of each chapter Our Lord has given her a gift I would recommend this book to anyone who suffers from chronic illness weather that is the newly diagnosed family and friends trying to understand those struggling with finding meaning in our suffering or those of us who occasionally need reminders This suffering is only temporary and her words have forever touched my soul Brooke KuceraRobin Dix is a freelance writer as well as a published author and editor Her hearts desire is to encourage those who are in this chronic illness journey She herself suffers from multiple chronic illnesses including chronic Lyme Fibromyalgia ME CFS Epstein Barr virus and Hypothyroidism to name a few She understands your struggles and is here to walk alongside you Visit her author page on Amazon
