Morbid Curiosity The Disturbing Demises Of The Famous And Infamous:

Morbid Curiosity Alan W. Petrucelli, 2009-09-29 It's shocking and sinful and I couldn't put it down Joan Rivers The strange startling and utterly fascinating stories behind the world's most notorious celebrity deaths Was Jayne Mansfield really decapitated Which manly appendage of Napoleon's was cut off during his autopsy And where did it go What went to the grave literally with River Phoenix Frank Sinatra and Princess Diana Death is fascinating Just think about the last time you slowed down as you passed the scene of a car accident When a public figure bites the dust the curiosity only increases From Attila the Hun to Marie Antoinette from Heath Ledger to Anna Nicole Smith the deaths of the rich and famous spark endless speculation and tabloid fodder Their lives and deaths are grave matters

Last and Near-Last Words of the Famous, Infamous and Those In-Between Joseph W. Lewis Jr. M.D., 2016-10-28 The author has assembled a collection of 3 676 last words from a select group of individuals as they faced their approaching demise This compilation illuminates a group of beings ranging from convicted criminals to the most holy Some serenely committed their souls to a higher being while others railed against oncoming death Many are famous some are notorious and others blur into a less well defined subgroup The majority of entries consist of final spoken words but a few wills epitaphs diaries and last letters are also included in this collection A brief sketch of each person includes birth and death dates country of origin and a short biographical sketch Farewells spoken after the turn of the twenty first century ensure that this compilation has some of the most up to date material in this genre

Singing Death Helen Dell, Helen M. Hickey, 2017-04-21 Death is an unanswerable question for humanity the question that always remains unanswered because it lies beyond human experience Music represents one of the most profound ways in which humanity struggles nevertheless to accommodate death within the scope of the living by giving a voice to death and the dead and a voice that responds This book engages with the question of how music expresses and responds to the profound existential disturbance that death and loss present to the living Each chapter offers readers an encounter with music as a way of speaking or responding to human mortality Each chapter in its own way addresses these questions How are death and the dead made present to us through music How does music as composed performed and heard respond to the brute fact of death for the living the dying and the bereaved These questions are addressed from a wide range of disciplinary perspectives musicology ethnomusicology literature history philosophy film studies psychology and psychoanalysis Singing Death also covers a wide range of musical genres from medieval love song to twenty first century horror film music The collection is accompanied by a website including some of the music associated with each of its chapters

Jazz and Death Walter van de Leur, 2023-05-12 Jazz and Death Reception Rituals and Representations critically examines the myriad and complex interactions between jazz and death from the New Orleans jazz funeral to jazz in heaven or hell final recordings jazz monuments and the music's own presumed death It looks at how fans critics journalists historians writers the media and musicians have narrated mythologized and relayed those stories What causes the fascination of the

jazz world with its deaths What does it say about how our culture views jazz and its practitioners Is jazz somehow a fatal culture The narratives surrounding jazz and death cast a light on how the music and its creators are perceived Stories of jazz musicians typically bring up different tropes ranging from the tragic misunderstood genius to the notion that virtuosity somehow comes at a price Many of these narratives tend to perpetuate the gendered and racialized stereotypes that have been part of jazz s history In the end the ideas that encompass jazz and death help audiences find meaning in a complex musical practice and come to grips with the passing of their revered musical heroes and possibly with their own mortality

Did They Rest in Peace? Joseph William Lewis Jr. M.D., 2018-10-18 Ashes to ashes dust to dust By what miracle can an assortment of seemingly unrelated particles come together and correctly assemble to form a human being Amazingly once aggregated these atoms molecules and compounds manage to interact reasonably coherently during our lives but seek to return to their dusty state when death occurs Of the billions of our species who have existed on earth over the millennia most have quietly and inexorably returned to ashes and dust when their term of life expired This book tracks some of the misadventures of selected corpses including burials that went awry to body snatching exhumations human relic collection and assorted desecrations Over the years it seems that a remarkable number of bodies have failed to enjoy the admonition to Rest in Peace Whether these aberrations in the burial process have disturbed the afterlife of the departed everyone is dying to discover the answer *Focus On: 100 Most Popular American Autobiographers* Wikipedia contributors, [Focus On: 100 Most Popular Former Roman Catholics](#) Wikipedia contributors, *Focus On: 100 Most Popular RCA Records Artists* Wikipedia contributors, [Focus On: 100 Most Popular American Male Musical Theatre Actors](#) Wikipedia contributors,
