The Cryptopians Laura Shin, 2022-02-22 The story of the idealists technologists and opportunists fighting to bring cryptocurrency to the masses In their short history Bitcoin and other cryptocurrencies have gone through booms busts and internecine wars recently reaching a market valuation of more than 2 trillion The central promise of crypto endures vast fortunes made from decentralized networks not controlled by any single entity and not yet regulated by many governments The recent growth of crypto would have been all but impossible if not for a brilliant young man named Vitalik Buterin and his creation Ethereum In this book Laura Shin takes readers inside the founding of this novel cryptocurrency network which enabled users to launch their own new coins thus creating a new crypto fever She introduces readers to larger than life

characters like Buterin the Web3 wunderkind his short lived CEO Charles Hoskinson and Joe Lubin a former Goldman Sachs VP who became one of crypto's most well known billionaires Sparks fly as these outsized personalities fight for their piece of a seemingly limitless new business opportunity This fascinating book shows the crypto market for what it really is a deeply personal struggle to influence the coming revolution in money culture and power

Language Program Vitality in the United States Emily Heidrich Uebel, Felix A. Kronenberg, Scott Sterling, 2023-11-09 The perception of a permanent enrollment crisis in US postsecondary foreign language education has shaped our profession's image for an entire generation of educators Over the past 30 years this crisis rarely invited self examination or inspired creativity Instead it was routinely attributed to external factors shrinking budgets unsympathetic administrators disengaged students This volume is refreshingly optimistic After providing a nuanced picture of the complex enrollment situation and focusing on perceptions of language education among undergraduate students the volume features an inspiring panorama of successful models that revitalized language programs at a wide range of institutions The diversity of approaches to post secondary language education in the United States featured in this volume highlights that there are no simple one size fits all solutions To be transformational initiatives need to be intimately calibrated to the evolving needs and desires of our institutions most important stakeholder the student Per Urlaub Massachusetts Institute of Technology MA USA
