Box Office This Week:

Box Office ,1953 *The Lord of the Rings* Ernest Mathijs,2006 Bringing together leading scholars in the fields of media and film studies to explore the various strategies and implications underlying the global presence of Lord of the Rings this book covers different national contexts and presents a lively and diverse combination of textual historical and empirical study

In Theaters Everywhere Brian Hannan,2019-01-09 Conflicts among Hollywood studios and exhibitors have been going on for years At their heart are questions about how films should be released where when and at what speed Both sides of this disagreement are losers with exhibitors using the law via various Consent Decrees and studios retaliating by tightly controlling output In the Silent Era movies were not released nearly as widely as they are now This book tells the story of how the few became the many It explores the contraction of the release cycle the maximization of the marketing dollar and the democratization of consumer access It also offers a comprehensive list of wide releases and rebuts much of what previous scholars have found
