Manatee Insanity Craig Pittman, 2010-05-09 The quiet manatee has long been a flash point of frequent environmental debates. It is Florida's most famous endangered species as well as its most controversial. Manatees appear on hundreds of license plates, attract hordes of tourists, and expose the uneasy relationships between science and the law and between freedom and responsibility like no other animal. As passions have flared and resentments have grown, the battle over manatee protection has evolved into a war, and no reporter has followed the story more closely than Craig Pittman, the first environmental writer to explore the complex history, culture, and science of the controversies and concerns surrounding this remarkable creature. With an abiding interest in the uncertain fate of this unique species, *Manatee Insanity* provides the first in-depth history of the attempts to provide legal protection for the manatee. Pittman follows Florida's gentle giants through time and space, detailing interactions with a variety of human actors from Jacques-Yves Cousteau to Jeb Bush to Jimmy Buffett, from a popular children's book author to a federal lawman who dressed in a gorilla suit for the ultimate undercover assignment. How to Adopt Internationally Jean Nelson Erichsen, Jean Nelson-Erichsen, Heino R. Erichsen, 2003 *How to Adopt Internationally* is organized around 23 easy-to-follow steps that lead readers through every phase of the international

adoption process from finding an agency and organizing a home study to choosing a country to adopt from working through emigration and immigration traveling abroad and adjusting to a new life with a child The book includes detailed instructions for estimating the cost of an international adoption and also provides samples of almost all forms and documents parents will be required to fill out or provide including sample guidelines used to conduct a home study The last half of the book provides up to date and in depth information on the adoption laws and requirements for 68 child placing countries including Russia Romania Ukraine Bulgaria China Korea Guatemala Chile Mexico and Colombia This latest edition also includes Internet addresses for finding important updates regarding international adoption on the World Wide Web including sites for downloading INS forms contacting Embassies and agencies overseas finding country specific adoptive parent support groups up to date travel information and much more G.K.
