My House

My house is a cozy place where I live with my family. It is painted blue and has a red roof. There are three bedrooms, one for my parents, one for my sister, and one for me. We have a small garden in the front yard with colorful flowers. Inside, there is a big living room where we spend time together, watching TV or playing games. My favorite room is the kitchen because I love to help my mom bake cookies. Our house is always filled with laughter and love.

Questions:

1. What color is the roof of the house?
2. How many bedrooms are there in the house?
3. What is in the front yard of the house?
4. Which room is the child's favorite and why?
5. What activities does the family do in the living room?

Moving House Reading Test Ks1 2007:

Children's Reading of Film and Visual Literacy in the Primary Curriculum Jeannie Hill Bulman, 2017-08-12 This book draws on a longitudinal study which highlights the beneficial impact of film in the primary curriculum. It provides detailed accounts of both the reading process as understood within the field of literacy education and of film theory as it relates to issues such as narration, genre and audience. The book focuses on a small cohort of children to explore how progression in reading film develops throughout a child's time in Key Stage 2; it also examines how the skills and understanding required to read film can support the reading of print and vice versa in an asset model approach. Since children's progression in reading film is found to be not necessarily age related but rather built on a period of experience and opportunity to read and/or create moving image media, Bulman clearly illustrates the importance of the inclusion of film in the primary curriculum. The book provides an accessible study to a large audience of primary teachers and practitioners and will be a valuable resource for students and researchers in the fields of education, English and media studies. *The School Librarian*, 2004 *The Times Index*, 2007 Indexes the Times and its supplements
