Ride Free Willie G. Davidson, 2023-08 Willie G. Davidson likes to say that he was born with gasoline in his veins and a crayon in each hand A designer at heart Davidson combined his passions for art and motorcycles to extend a multi generational unbroken thread

from Harley Davidson Motorcycle Company's birth in a wooden shed in the early twentieth century to today. The grandson of one of the company's founders and the son of one of its longtime presidents, Davidson created a series of iconic designs that defined Harley Davidson factory custom bikes and cemented its standing as the premier motorcycle company in the world. Davidson was instrumental in saving the company from bankruptcy and then helping it explode into a global phenomenon. For more than five decades, Davidson was more than a namesake of the founders; he was the heart and soul of Harley Davidson and a personal connection to millions of riders around the world who knew him simply as Willie G. Throughout his life, Davidson has embodied a close relationship with the customer by attending motorcycle rallies, rides, and races with his late wife Nancy, the First Lady of Motorcycling, and son and daughter Bill and Karen Davidson, who recently joined their famous parents by being inducted into the Sturgis Motorcycle Hall of Fame and playing key roles in the Motor Company today. In *Ride Free*, Davidson recounts design, his memories of family relationships, and events that defined his extraordinary life and legacy of power, passion, and purpose. Davidson gives readers a behind-the-scenes look at the planning, design, and conception of legendary bikes that inspired millions of riders over the past half century, stories of his unforgettable rides around the world, the people he encountered while navigating thousands of miles on the roads, and the legacy that he and his family have created, which will carry on the most famous name in motorcycles. *Brothers, Stand Firm* Steve Bateman, 2014-11-12. This book is designed to help men get started in this most important adventure of their lives. **American Motorcyclist**, 2005-07. *American Motorcyclist* magazine, the official journal of the American Motorcyclist Association, tells the stories of the people who make motorcycling the sport that it is. Reckoning with Race Frederick Allen, 2023-08. *Reckoning with Race* is a firsthand account of race relations in America from award-winning journalist, author, and former CNN commentator Rick Allen. Allen's collection of essays shows the progress our country has made and how much further we have to go. In his fifty-year career as an award-winning journalist, CNN commentator, and author of multiple books, Rick Allen has had a front-row seat on dramatic change in race relations in America. In *Reckoning with Race*, a collection of eighteen essays, he explores his ongoing efforts to understand the struggle of black and white Americans to navigate a shared history at once wicked and intimate, full of love and hate, as they seek to level an uneven playing field. Allen examines issues from the era of Reconstruction through Jim Crow, the Civil Rights movement, the rhythms of resistance and progress, into today's contentious debates over redlining, reparations, and critical race theory. Starting as a reporter with the *Atlanta Constitution* in 1972, Allen got to know and befriend legendary black political figures.

including Julian Bond John Lewis Andy Young Hosea Williams Maynard Jackson Jesse Jackson and Daddy King the father of Martin Luther King Jr He also encountered ardent white segregationists some of whom saw the light and others who took their racism to the grave Drawing on his experience covering politics he examines presidents from LBJ and Jimmy Carter to Obama and Trump He explores the symbolism of Confederate flags the controversy over Uncle Remus the election of Atlanta's first black mayor Maynard Jackson and the tragic case of the Atlanta Child Murders He has had first hand encounters with white supremacy and violent black protest alike Throughout *Reckoning with Race* Allen is candid about his own shortcomings as a white native Northerner learning gradually about the complexities of race in his adoptive South The essays highlight his continuing journey toward understanding the forces that both hinder and promote equality and harmony between the races
