Multicultural Children's Literature Donna E. Norton, 2009 With the growing number of ethnic minority students in public schools it is very important for teachers librarians and all those who work with children to have an understanding of appropriate multicultural literature

This book and the literature selections are designed to develop heightened sensitivity and understanding of people from various cultures and traditions through the selection of carefully chosen literature. It includes a balance of research about the culture and the literature, a discussion of authentic literature for students from early childhood through young adults, and teaching activities designed to develop higher cognitive abilities. The book uses a unique five phase approach for the study of multicultural literature that has been field tested. **Through the Eyes of a Child** Donna E. Norton, Sandra E. Norton, Amy A. McClure, 2003

In its seventh edition *Through the Eyes of a Child: An Introduction to Children's Literature* continues to be a visually stunning, theoretically sound, comprehensive overview of children's literature. It focuses squarely on selecting and evaluating quality literature to share with children and guiding them to appreciate and respond to that literature. This edition features multicultural literature and young adult literature in every chapter, expanded coverage of biographies and informational books, and over 100 new children's titles referenced throughout. A children's literature CD-ROM accompanies the book and contains bibliographic information for thousands of titles, making it even easier to share quality literature with children and adolescents. Fundamentals of Collection Development and Management Peggy Johnson, 2014-03-21

In this sweeping revision of a text that has become an authoritative standard, expert instructor and librarian Peggy Johnson addresses the art of controlling and updating library collections, whether located locally or accessed remotely. Each chapter offers complete coverage of one aspect of collection development and management, including numerous suggestions for further reading and narrative case studies exploring the issues. Language Arts Pamela J. Farris, Donna E. Werderich, 2019-01-08. From the first edition to the latest, *Language Arts: Process, Product, and Assessment for Diverse Classrooms* has presented sound language arts theory and methodology in a nonthreatening, straightforward manner at a reasonable price. Coverage focuses on the 2017 Standards for Literacy Professionals. Each chapter identifies and addresses the standards applicable to that chapter's topics. Farris and Werderich infuse their foundational guidelines with the latest research, teaching practices, and assessment and evaluation techniques. Ideas for lesson plans, use of technological applications, internet resources, and comprehensive up-to-date listings of children's, young adult, and multicultural fiction and nonfiction titles are among the text's outstanding features. Other features geared expressly for pre- and inservice teachers include engaging real-life classroom anecdotes, instructional activities for reading, writing, listening, speaking, viewing, and visually representing, boxes containing teaching hints and mini-lessons, a section on Response to Intervention (RTI) with the various tiers of intervention, theories of instruction, and teaching activities for English language learners (ELLs), guidelines to meet the needs of special needs learners, suggestions for literacy-based interdisciplinary instruction including STEM and STEAM, examples of children's work to help readers understand what to expect from different ages and ability levels, questions and assignments to strengthen readers' aptitude, awareness, and application of topics to real life. **FTCE**

Edition of CliffsNotes FTCE Elementary Education K 6 test prep captures the recent changes to this Florida teacher certification test that would be elementary school teachers must pass in order to be teacher certified in Florida Language Arts Mildred R. Donoghue,2008-08-05 A clear introduction for the teaching of language and communication **Read, Discuss, and Learn** Lisa A. Fisher,2010-08-16 Literacy groups promote discussion and learning through the exploration of text but many educators are hesitant to adopt them For current and future secondary teachers administrators and curriculum directors Read Discuss and Learn provides support and guidance so educators can confidently involve students within the learning process at a deep level This is a practical resource guide that walks teachers through the use of literacy groups within their classrooms over a typical 365 day journey of secondary students The author provides educators with the tools to think about literacy groups to create literacy groups and to design the best assessment to adequately evaluate students comprehension and mastery of new content More Mirrors in the Classroom Jane Fleming,Susan Catapano,Candace M. Thompson,Sandy Ruvalcaba Carrillo,2016-06-08 Nearly 30% of all public school children attend school in large or mid size cities totaling more than 16 million students in 22 000 schools For schools serving culturally and linguistically diverse populations and large numbers of children living in poverty a significant achievement gap persists Proponents of multicultural education often advocate for instruction with culturally relevant texts to promote inclusion compassion and understanding of our increasingly diverse society Less discussion has focused on the significant body of research that suggests that culturally relevant texts have important effects on language and literacy development By connecting the dots of existing research More Mirrors in the Classroom raises awareness about the critical role that urban children s literature can play in helping children learn to read and write In addition it provides practical step by step advice for increasing the cultural relevance of school curricula in order to accelerate literacy learning (In)Visible Presence: Feminist Counter-narratives of Young Adult Literature by Women of Color Traci P. Baxley,Genyne Henry Boston,2014-09-02 Current school systems create a generation of students who experience institutional practices that honor other students needs those students who share the values of those with power and have pathologized other groups specifically women of color In Visible Presence intends to contribute to existing pedagogy which empowers students teachers administrators and policy makers to develop participatory membership in schools and among citizens who can begin to create an anti oppressive society In Visible Presence contains a holistic thematic approach to exploring young adult YA novels written by women of color while providing cultural and historical contexts for interpreting and analyzing their work through a feminist lens Unlike other scholarship In Visible Presence uses a feminist theoretical framework to create a space in which select literary works offer counter narratives that can be analyzed and critically interpreted according to principles and ideas intended to validate women thus making their triumph over racism sexism classism and heterosexism and equity challenges a visible cause relegating consequential change for both young girls and women of color In Visible Presence maintains current discourse dialogue

through a concentration on the intersectionality of gender race and class identities and how these identifiers serve as criteria for privilege and marginalization even in YA literature In *Visible Presence* aims to explore YA literature written by women of color represented by African American Asian American Indian American and Latina Americans Our theoretical perspective focuses on the connection of race gender and class that is exclusive to women of color The construction of voice and space is important for readers to hear from those once silenced *Mistakes We Have Made* Bre Evans-Santiago, 2020-02-24 2021 SPE Outstanding Book Award Honorable Mention *Mistakes We Have Made* Implications for Social Justice Educators is an edited collection from eleven authors with a wealth of experience teaching in K 12 schools and utilizing culturally relevant practices This book is current with social justice research and strategies while connecting to the audience through personal vignettes in each chapter The personal connection of research supported ideas to help new teachers avoid the authors early career mistakes in the classroom is at the center of this text The content is organized into three themes Inclusive Classrooms Curriculum Implementation and Professionalism Reflection questions are provided at the end of each chapter which will guide the practitioners to self reflect and plan next steps accordingly The e book provides links to videos strategies articles and other supplemental resources to make this text a one stop shop *Mistakes We Have Made* speaks to several audiences from pre service teachers to new teachers to any practitioner that needs a new perspective on teaching with a social justice lens It can be used as a text in a variety of college courses professional development workshops or as a gift for new teachers Perfect for courses such as Social Justice for Educators Diverse Perspectives for Educational Leaders Diversity and Multiculturalism Sociocultural Foundations in Education Issues in Education Elementary Teacher Foundations Sociology of Education **Genders, Cultures, and Literacies** Barbara J. Guzzetti, 2021-11-29 This volume brings together leading scholars in their fields who offer much needed and wide ranging perspectives on the intersections of genders cultures and literacies As incidents of racial and gender aggression grow in number and in global attention it is essential to understand how racial and gender identities and their expressions interplay and influence literacy development and practice Contributors examine how social identities intersect and are expressed in literacy practices across an array of school and out of school settings and discuss how gender and race are represented in individuals multimodal practices Chapters address such topics as the literacy practices of incarcerated fathers of color Black girls literacies Indigenous students cultural literacies the writing practices of Latinx women for identity representation and more Ideal for scholars in literacy studies gender studies and cultural studies this volume is a necessary and original update to the ways cultural racial and gender identities are viewed in current educational and sociocultural climates *Cherokee Myths and Legends* Terry L. Norton, 2014-11-19 Retelling 30 myths and legends of the Eastern Cherokee this book presents the stories with important details providing a culturally authentic and historically accurate context Background information is given within each story so the reader may avoid reliance on glossaries endnotes or other explanatory aids The reader may thus experience the stories

more as their original audiences would have This approach to adapting traditional literature derives from ideas found in reader response and translation theory and from research in cognitive psychology and sociolinguistics
