Contemporary Geographies of Leisure, Tourism and Mobility, Routledge studies in contemporary geographies of leisure, tourism, and mobility, 2014 Tourism and Leisure Mobilities Jillian Rickly, Kevin Hannam, Mary Mostafanezhad, 2016-07-15

This book reframes tourism as well as leisure within mobilities studies to challenge the limitations that dichotomous understandings of home away work leisure and host guest bring A mobilities approach to tourism and leisure encourages us to think beyond the mobilities of tourists to ways in which tourism and leisure experiences bring other mobilities into sync or disorder and as a result re conceptualizes social theory The proposed anthology stretches across academic disciplines and fields of study to illustrate the advantages of multi disciplinary conversation and in so doing it challenges how we approach studies of movement based phenomena and the concept of scale Part One examines the ways in which mobility informs and is informed by leisure from everyday practices to leisure inspired mobile lifestyles Part Two investigates individuals and communities that become entrepreneurial in the face of changing tourism contexts and reflects on the performance of work through multiple mobilities Part Three turns to issues of development with attention to the cultural politics that frame development encounters in the context of tourism The varied ways that people move into and out of development projects is mediated by geopolitical discourses that can both challenge and perpetuate geographic imaginations of tourism destinations

Adventure Tourism Steve Taylor, Peter Varley, Tony Johnson, 2013 Adventure tourism is an increasingly widespread phenomenon appealing to an expanding proportion of the population who seek new destinations and new experiences This timely edited volume offers new theoretical perspectives of this emerging subset of Tourism it uses philosophical and cutting edge empirically grounded research to challenge existing thinking and develop the conceptual framework underpinning definitions of adventure interrogating the adventure tourism experience and further building upon recent advances in adventure education The book brings together adventure literature from range of disciplines and applies it to focused study of Adventure Tourism By doing so it significantly furthers understanding and moves forward this development of this area of Tourism This significant volume is written by leading academics in the area and will be valuable reading for all those interested in Adventure Tourism *Lifestyle Mobilities* Tara Duncan, Scott A. Cohen, Maria Thulemark, 2016-05-06 Being mobile in today's world is influenced by many aspects including transnational ties increased ease of access to transport growing accessibility to technology knowledge and information and changing socio cultural outlooks and values These factors can all engender a re formation of our everyday life and moving as and for lifestyle has in many ways become both easier and much more complex This book highlights the crossroads between concepts of lifestyle and the growing body of work on mobilities The study of lifestyle offers a lens through which to study the kinds of moorings dwellings repetitions and routines around which mobilities become socially culturally and politically meaningful Bringing together scholars from geography sociology tourism history and beyond the authors illustrate the breadth and richness of mobilities research through the concept of lifestyle Organised into four sections the book begins by dealing with aspects of bodily performance through

lifestyle mobility Section two then looks at how we can use mobile methods within social research whilst section three explores issues surrounding ideas of mobility immobility and belonging Finally section four draws together a number of chapters that focus on the complexities of identity within mobility Often drawing on ethnographic research contributors all share one common feature they are at the forefront of research into lifestyle mobilities **Mountaineering Adventure**

Tourism and Local Communities Apollo, Michal, Andreychouk, Viacheslav, 2022-09-06 This timely book explores how hiking trekking and climbing mountains increasingly popular leisure activities can stimulate change and create opportunities for sustainable development Using empirical evidence from interviews held in the Himalayas combined with a theoretical grounding it focuses on the socio economic and environmental issues of the impact of mountaineering adventure tourism on local communities **Leisure /tourism Geographies** David Crouch, 1999 **Mountaineering Tourism** Michal

Apollo, Yana Wengel, 2021-10 Introduction to mountaineering Mountaineering as a form of tourism Tourism experiences and behaviours in mountain areas Impacts of mountaineering Management practices in mountain regions Conclusion and future outlook Landscapes of Leisure S. Gammon, S. Elkington, 2016-01-12 This volume aims to map out the complex

relationships leisure has with notions of place and space in contemporary life Illustrating the transdisciplinarity of this key feature of leisure studies it explores how leisure places and spaces affect personal social and collective identities **Leisure and Tourism Landscapes** Cara Aitchison, Nicola E. MacLeod, Stephen J. Shaw, 2002 This book has a broad inter disciplinary focus drawing from fields such as cultural studies history literature and geography and redefines the way we view our surroundings Mountain Tourism Harold Richins, John Hull, 2016-02-19 Mountains have long held an appeal for people

around the world This book focusses on the diversity of perspectives interaction and role of tourism within these areas Providing a vital update to the current literature it considers the interdisciplinary context of communities the creation of mountain tourism experiences and the impacts tourism has on these environments Including authors from Europe Asia Pacific and North America the development planning and governance issues are also covered **The Geography of**

Tourism and Recreation Colin Michael Hall, Stephen Page, 2006 This text now in its fully updated third edition continues to offer a comprehensive synthesis of the key issues associated with tourism leisure and recreation **Mountaineering**

Tourism Michal Apollo, Yana Wengel, 2021-10 This book offers a critical account of the historical evolution of mountaineering and its relation to the phenomenon of tourism providing an overview of recent developments linked to the diversification commodification and commercialisation of mountaineering activity Mountaineering broadly defined as hiking trekking and climbing is now a mass phenomenon with continually growing numbers of trekkers climbers and religious tourists hiking in mountain regions Increasing visitor numbers require the current policies to be updated The environments around high mountain areas and their local resident communities until recently cut off from civilisation are sensitive to outside influences and have been abruptly exposed to the impact of mountaineering and related activities This is the first book to disentangle

overlapping terms and definitions related to mountaineering tourism It identifies the key terms and turning points in mountaineering tourism and discusses the impacts of mountaineering tourism from an environmental socio cultural and personal perspective and identifies current tourism management policies Finally this book provides a continuum between the past and future of mountaineering tourism and aims to provide policy suggestions for sustainable management of fragile mountain regions This will be of great interest to upper level students and academics of tourism as well as industry representatives and policymakers with an interest in adventure tourism and mountaineering
