Mourning Gender And Creativity In The Art Of Herman Melville

Neal L. Tolchin

Mourning Gender And Creativity In The Art Of Herman Melville:

Mourning, Gender, and Creativity in the Art of Herman Melville Neal L. Tolchin, 1988 **Primal Ground** Neal L. Tolchin, 1986 The New Cambridge Companion to Herman Melville Robert S. Levine, 2014 This new collection offers timely critical essays specially commissioned to provide a comprehensive overview of Melville's career *Hawthorne, Gender, and Death* R. Weldon, 2008-03-31 This book draws on a range of critical approaches including cultural anthropology psychoanalytic theory political justice theory and feminist theory to consider the ways that strategies of death denial and their compensatory consolations offer insight into the ethical gender and religious questions raised by Hawthorne's novels

Writing Grief Christian Riegel, 2003-09-24 Margaret Laurence's much admired Manawaka fiction *The Stone Angel* *A Jest of God* *The Fire Dwellers* *A Bird in the House* and *The Diviners* has achieved remarkable recognition for its compassionate portrayal of the attempt to find meaning and peace in ordinary life In *Writing Grief* Christian Riegel argues that the protagonists in these books achieve resolution through acts of mourning placing this fiction within the larger tradition of writing that explores the nuances and strategies of mourning Riegel's analysis alludes to sociological and literary antecedents of the study of mourning including the tradition of elegy from Derrida and Lacan to Freud van Gennep and Milton The work of mourning is necessary to move from a state of emotional paralysis to one of acceptance and active engagement Laurence's characters perform the work of mourning returning over and over again to the key issues relating to loss and as Riegel's close examination of the texts suggests are changed thereafter fundamentally and significantly As an important study of one aspect of Laurence's oeuvre *Writing Grief* not only illustrates how Laurence's own preoccupations with mourning are figured but also how different ways of working through grief result in renewed potential for consolation and connection and a renewed definition of self **Grief Taboo in American Literature** Pamela A. Boker, 1997-08 A

compelling massively researched psychoanalytic study of the inability to mourn in Melville Twain and Hemingway and its roots in maternal loss Ann Douglas author of *TERRIBLE HONESTY MONGREL MANHATTAN IN THE 1920S* This insightful text is recommended for all students of American culture and literature **CHOICE** **Herman Melville** Wyn Kelley, 2008-02-04 Arranged chronologically this volume explores Herman Melville's distinctive narrative style on some of his novels short fiction and poems Book cover **Embodying the Unspeakable in Melville, Hawthorne, and Davis** Stacey Vallas, 1991 *Mourning, Modernism, Postmodernism* Tammy Clewell, 2009-10-22 *Mourning Modernism Postmodernism* illuminates the emergence of a fundamentally new way of thinking and writing about loss in the twentieth century novel one that spurns consolation and the conventional aim of closure Inaugurated in the modernist novel the rejection of consolation manages to promote a politically progressive politics of mourning The modernist novel established as well the terms of a new mourning practice terms whose democratizing aims would be challenged in the late modernist period but ultimately reanimated and reworked by postmodern writers In challenging the familiar view of modernist aesthetics as removed from

social concerns and of postmodernist aesthetics as a self reflexive language game incapable of representing affirmative content Mourning Modernism Postmodernism demonstrates how novelists of some of the most experimental fiction of the century engage the open ended aspects of loss to imagine new forms of identity and social change **JEGP, Journal of English and Germanic Philology** Gustaf E. Karsten,1989 **Herman Melville** A. Robert Lee,2001 The Private Melville Philip Young,1993 The Private Melville demonstrates how great a role his profound sense of privacy played in Melville s life and work Secrets he was careful never to reveal are unmasked by Philip Young Privacy as it appears to Melville here is of three types First are family matters the public had no business knowing about such as the life story of a secret half sister next the story of the life of a cousin Priscilla model for the heroine of his novel Pierre who scandalously marries her half brother and then a history testing a rash claim made by Melville regarding the lineage of hundreds of ordinary New England families The second type concerns four Berkshire Tales that depend heavily on private jokes and thus have secret meaning that escaped the editors who printed them and continue to evade critics and scholars The third kind deals with two fictions so little understood that the meaning might as well be secret a speech of Ahab s which is called the spiritual climax of Moby Dick and Melville s very last fiction Daniel Orme a self portrait in which he has gone pretty much unrecognized

American Puritanism and the Defense of Mourning Mitchell Robert Breitwieser,1990 Rowlandson a New England Congregationalist minister s wife was held captive by the Algonquin Indians during King Philip s War in 1676 Several years after she was ransomed and living among the British again she wrote a prototypical narrative of the captivity Breitwieser s English U of California penetrating analysis highlights Rowlandson s rendering of biblical doctrine her critique of Puritan mourning practices her representations of Indian culture and her own transformation into a commodity to be ransomed Annotation copyrighted by Book News Inc Portland OR **MLA International Bibliography of Books and Articles on the Modern Languages and Literatures** Modern Language Association of America,2003 Vols for 1969 include ACTFL annual bibliography of books and articles on pedagogy in foreign languages 1969 *Nineteenth-century American Romance* E. Miller Budick,1996 Nineteenth century American romance as a genre is defined by the writings of a particular group of authors James Fenimore Cooper Washington Irving Charles Brockden Brown Edgar Allan Poe Nathaniel Hawthorne Herman Melville and Henry James all of whom are associated with one another in time and place In this volume Emily Miller Budick examines the genre both as a style and within a historical context She interprets American romance as an evolving literary aesthetic and cultural philosophy as an effort by a group of writers to produce what Noah Webster called an American tongue a language imbued with the values of democracy and pluralism **Melville's Prism of Fatherhood** Phillip Alan Kiekhaefer,2003 **A Question of Taste** Nina Markov,2003 The Cumulative Book Index ,1989 A world list of books in the English language *Satirical Apocalypse* Jonathan A. Cook,1996-04-30 This valuable new addition to Melville studies offers a ground breaking interpretation of Melville s last published novel one of the most complex texts in American literature

and a work that has long been noted for the divergent critical views it has elicited Reading the novel as a generic hybrid of narrative satire and apocalyptic vision Cook situates the novel in its implicit theological historical and biographical contexts he examines the novel's relation to Melville's heterodox ideas of the deity to the increasingly commercialized cultural milieu of antebellum America and to Melville's own life and literary career Uncovering a wealth of new data on the novel's satirical applications including its covert use of Melville's friends and family for character models Cook offers a compelling reading of *The Confidence Man* one that is sure to influence our future conception of its creator ESQ. ,2002

Yeah, reviewing a book **Mourning Gender And Creativity In The Art Of Herman Melville** could ensue your near friends listings. This is just one of the solutions for you to be successful. As understood, ability does not suggest that you have fantastic points.

Comprehending as without difficulty as covenant even more than other will have the funds for each success. neighboring to, the revelation as with ease as acuteness of this Mourning Gender And Creativity In The Art Of Herman Melville can be taken as competently as picked to act.
