

Mouthful of Forever

Clementine von Radics

1/2

I am not the first person you loved.
You are not the first person I looked at
with a mouthful of forever. We
have both known loss like the sharp edges
of a knife. We have both lived with lips
more scar tissue than skin. Our love came
unannounced in the middle of the night.
Our love came when we'd given up
on asking love to come. I think
that has to be part
of its miracle.
This is how we heal.
I will kiss you like forgiveness. You
will hold me like I'm hope. Our arms
will bandage and we will press promises
between us like flowers in a book.
I will write sonnets to the salt of sweat
on your skin. I will write novels to the scar
of your nose. I will write a dictionary
of all the words I have used trying
to describe the way it feels to have finally,
finally found you.
