Move What 1000 Churches Reveal About Spiritual Growth:

Move Greg L. Hawkins, Cally Parkinson, 2011-08-12 Most church leaders are passionate about their calling to go and make disciples However despite their most creative thinking diligent efforts and rigorous assessments year after year they arrive at the end of a ministry season with no way of knowing for sure whether they have succeeded or failed in their calling I want to serve God the refrain goes and on most days I believe I m doing what I m called to do But what if my approach is off track What if the work we re doing as a church doesn t really help people grow at all The only indicators of success most leaders have are numbers Is attendance up Are giving trends on the rise Are we baptizing more people this year than last Numbers are helpful but they still come up short Numbers may tell leaders how active their congregants are but they reveal very little about whether or not anyone s heart is changing as a result Leaders need more than numbers to help them assess their efforts and make strategic ministry decisions The crux of spiritual growth is not how busy people are with spiritual activities but how engaged they are with Christ How close is a person to Christ Are they fully surrendered to his will and his teaching Do they prioritize faith in their daily lives Are they growing in their love of God and others In order to answer these questions leaders need more than numbers they need to see inside people s hearts In 2004 Willow Creek Community Church completed research that would eventually become the REVEAL Spiritual Life Survey Based on those initial findings as well as data from more than 150 000 congregants in 500 churches the REVEAL team discovered a way to see inside the hearts and minds of congregants The Christ Centered Heart presents discoveries not from a hypothetical theoretical or opinion driven point of view but from an empirical one By linking biblical principles with spiritual attitudes and behaviors REVEAL research The Christ Centered Heart provides a foundational understanding of this new lens for spiritual growth and presents findings from the latest REVEAL research Focusing on Jesus definition of spiritual growth as increasing love of God and others Matthew 22 36 40 the book draws on compelling stories of real people as well as engaging charts and graphs to illustrate key concepts and insights It includes four parts PART ONE The Heart of the Matter explains the brutal truth about spiritual growth and an orientation on how REVEAL takes us inside the hearts of congregants PART TWO The Spiritual Continuum identifies the five segments of intimacy with Christ and describes people with closed hearts who are Far from Christ people with searching hearts who are Exploring Christ people with open hearts who are Growing in Christ people with engaged hearts who are Close to Christ and people with surrendered hearts who are Christ Centered PART THREE Spiritual Movement details the distinct spiritual catalysts that move people toward increasing intimacy with Christ This includes four spiritual movements from rejection to searching for Christ from searching to accepting Christ from growing in Christ to becoming close to him and from close to Christ to becoming Christ centered We name two primary barriers to spiritual growth becoming stalled along the journey toward intimacy with Christ and becoming dissatisfied with the church s ability to lead people there PART FOUR Spiritual Leadership presents five key findings based on REVEAL s proprietary Spiritual

Vitality Index which ranks a church's effectiveness in helping people grow. The findings explain the importance of getting people moving once they express interest in knowing Christ, embedding the Bible in everything the church does, creating ownership on the part of the Christ follower, pastoring the local community rather than merely doing ministry inside the church's four walls, and re-establishing **How to Spot the Spirit's Work in Your Life** David S. Luecke, 2016-09-16

Believers who raise their awareness of the Holy Spirit practice GROWTH in the Spirit and share their experiences will find their Christian life becomes more exciting and fulfilling. Pastors who teach Spirit awareness and GROWTH practices will see their congregation become more stimulating, healthy, and attractive. We confess that the fellowship of the Holy Spirit gives churches their unique identity and energy. Yet many traditional Protestant churches act otherwise. Withering congregations can regain vitality by refocusing on this truth and learning to name and share their encounters with Christ's Spirit.

How to Spot the Spirit's Work in Your Life is the second in a series of three books. Pastor and psychologist David S. Luecke has written on the Holy Spirit. 1st Encounters with the Holy Spirit works out the biblical basics for the Spirit's job description; today offers insights from behavioral and developmental psychology and outlines leadership principles for fine-tuning a church's culture. 2nd **How to Spot the Spirit's Work in Your Life** emphasizes practical application in a discussion format and advocates six GROWTH practices. 3rd **How the Spirit Shapes Prayer** offers survey findings for how prayer is actually done by traditional Christians. Based on **How to Spot the Spirit's Work in Your Life**, Dave Luecke developed four sessions of **Spot the Spirit Discussions**. The 32-page Guide and videos of his introductions are available at www.GROWTHintheSpirit.church.

After seminary and ordination, David S. Luecke earned an MBA and PhD at Washington University of Saint Louis and then spent the next 20 years in academia teaching leadership techniques in business schools and church management at Fuller Theological Seminary. When he received a call to plant a church near his home town of Cleveland, he welcomed the opportunity to practice what he taught. He moved on to become administrative pastor of Royal Redeemer Lutheran Church. He continues to serve there as a semi-retired missions pastor. www.GROWTHintheSpirit.church

Let the Spirit Shape Your Ministries David S. Luecke, 2023-03-22

Traditional mainline churches have been in decline for fifty years as their church energy continues to seep away. What are the options to regain vitality? Pastor Luecke thought for years that better administration was the answer. But the problem is deeper. Our Reformation heritage left us with a very weak practical theology of the Holy Spirit, confining him mostly to the Creeds. We don't have a hands-on understanding of how he makes a difference in church life today. We can find that by appreciating how central the Spirit was to Paul's leadership. This collection of Reflections comes in two parts. The first highlights how the Spirit works today based on Paul's insights. It outlines how personal growth in the Spirit can happen. Church leaders cannot take others to where they personally have not been before. The second part is organized around Martin Luther's explanation of the four functions of the Holy Spirit: He calls, gathers, enlightens, and sanctifies God's people. The Spirit is the leader of ministry teams. We need to learn how to follow **Intentional Churches**

Doug Parks, Bart Rendel, 2020-03-24 Do you want to reignite your passion for the local church and see your congregation live out the Great Commission by growing and making disciples If so implementing the revolutionary Intentional Growth Planning operating system will benefit you your church and your community Just as laptops and smart phones have an operating system the church needs a biblically based operating system where its various programs and activities can effectively plug in to In Intentional Churches Doug Parks and Bart Rendel combine their 35 years of executive church leadership experience and unveil a proven and practical operational system that will help you Clarify your unique vision Filter trends and new ideas through your mission Improve implementation abilities Maintain unity and alignment around what matters most This is a repeatable and transferable process any church can learn Start today and be ready to go and grow through God's power for God's glory

Doing the Bible Better Marek P. Zabriskie, 2014-09 Bible reading program that transforms lives and the church experience Develops the power of a daily disciplined spiritual practice Despite the fact that Episcopalians are among the best educated Christian groups in the United States they also rank among the least biblically literate denomination The author maintains we can do Bible better and shows why it is absolutely critical to do so How can this weakness become a strength and source of spiritual growth for Episcopalians their churches and dioceses As an evangelist for biblical literacy and spiritual nourishment Zabriskie shows the way forward for the Episcopal Church and the Anglican Communion
