Mrs Humphry Ward Eminent Victorian Pre Eminent Edwardian:

Mrs. Humphry Ward J.A. Sutherland,1990 A Very British Family Laura Trevelyan,2012-11-10 It is a rule that no Trevelyan ever sucks up either to the press or the chiefs or the right people The world has given us money enough to enable us to do what we think is right We thank it for that and ask no more of it but to be allowed to serve it G M Trevelyan The Trevelyans are unique in British social and political history a family which for several generations dedicated themselves to the service and chronicling of their country Often eccentric priggish high minded and utterly self regarding they have nonetheless left their mark on our past This engaging history dispassionately explores the lives and achievements of this unique family and the part they played in shaping the history of Great Britain From their inauspicious beginnings in a small dwelling in Cornwall to the present day some Trevelyans have been famous and distinguished others less so but for a hundred years from the mid nineteenth to the mid twentieth century family members from Lord Macaulay to G M Trevelyan contributed to both the writing and the making of history This book is primarily the tale of the five men who flourished during this period Charles Edward George Otto Charles Philips George Macaulay and Humphry Trevelyan and the clever and formidable women they married Including many vivid portraits of the most influential members of this remarkable family The Trevelyans casts light on the period of enormous social and cultural change in which they lived and examines why they chose not to simply exploit their position as landed gentry but instead to take their place at the centre of scholarship and politics

Mrs Humphry Ward Enid Huws Jones,1973 Nineteenth Century Prose ,1991 Modernism and the Women's Popular Romance in Britain, 1885-1925 Martin Hipsky,2011-10-15 Today's mass market romances have their precursors in late Victorian popular novels written by and for women In Modernism and the Women's Popular Romance Martin Hipsky scrutinizes some of the best selling British fiction from the period 1885 to 1925 the era when romances especially those by British women were sold and read more widely than ever before or since Recent scholarship has explored the desires and anxieties addressed by both low modern and high modernist British culture in the decades straddling the turn of the twentieth century In keeping with these new studies Hipsky offers a nuanced portrait of an important phenomenon in the history of modern fiction He puts popular romances by Mrs Humphry Ward Marie Corelli the Baroness Orczy Florence Barclay Rebecca West Elinor Glyn Victoria Cross Ethel Dell and E M Hull into direct relationship with the fiction of Virginia Woolf Katherine Mansfield James Joyce and D H Lawrence among other modernist greats A Victorian Wanderer Bernard Bergonzi,2003 Bernard Bergonzi has written an absorbing and fascinating biography of Thomas Arnold the Younger 1824 1900 son of the celebrated headmaster of Rugby and younger brother of Matthew father of Mrs Humphrey Ward and grandfather of Aldous Huxley A scholar teacher and self styled wanderer Arnold's path in life took him after a brilliant start at Oxford to colonial New Zealand to Tasmania to Dublin back to Oxford and once more to Dublin where he died in 1900 This biography explores Arnold's diverse path through academia his complex relationship with Catholicism and his acquaintances

with such luminaries as Wordsworth Arthur Hugh Clough Lewis Carroll Gerard Manley Hopkins and James Joyce *The Arnoldian*, 1991

Out of Due Time Paschal Scotti, 2006-02 Wilfrid Ward 1856-1916 the great biographer of Cardinal Newman was a leading Catholic voice in English society during the early twentieth century Friend to many of its major intellectual figures and a frequent writer in its most prestigious journals he was also the editor of the *Dublin Review* the leading Catholic journal in the English speaking world Founded by Daniel O Connell and Nicholas Wiseman in 1836 the *Dublin Review* was edited by Ward from 1906 to 1916 and under his guidance it entered its golden age attracting the best of England's Catholic writers and much attention outside the household of faith Under his editorship the journal featured well known contributors such as G K Chesterton Hilaire Belloc Francis Thompson Alice Meynell Herbert Thurston C C Martindale and Robert Hugh Benson Ward's lifetime goal was the reconciliation of the Church with the mind of the age and his editorship of the *Dublin* was the culmination of his efforts It was a time when the English Catholic Church had reached a certain maturity and depth that made her universalistic ambitions a real possibility It was also a time of conflict within the Church about how far she could adapt herself to modernity It was while he was editor that the Modernist Crisis erupted a crisis with which he was intimately involved Following the tradition of the great literary quarterlies the journal discussed every aspect of human endeavor and *Out of Due Time* offers a fine opportunity to view the best of the Catholic mind in an extraordinary period It is a book for both the specialist and the general reader Unsympathetic to extreme views Ward was much misunderstood in his own time and is generally ignored in our own This volume seeks to give him and his work due recognition Paschal Scotti O S B is a teacher in the Portsmouth Abbey School and chairman of the Christian Doctrine Department

PRAISE FOR THE BOOK An absorbing study of Wilfrid Ward Scotti is extraordinarily well read in the wider history of his period as well as in Ward's Roman Catholic background the erudition of the work is most impressive especially in its biographical aspect of summarizing briefly the lives of the contributors to the *Dublin* The work offers an interesting perspective on the public life of England for the period it surveys and a critical view upon the scope and limitations of the *Dublin*'s coverage of it Sheridan Gilley University of Durham *Out of Due Time* is full of fascinating facts about the intellectual climate of Edwardian and early Georgian England and specifically about the Catholic contribution to that climate as expressed in the pages of the *Dublin Review* under Wilfred Ward's editorship Joseph Pearce *First Things* Scotti's study of Ward's editorship gives the reader an absorbing portrait of the era He also uncovers interesting vignettes about many of the now forgotten figures who dominated Church life in the years leading up to the First World War David McLaurin *The Tablet*

Out of Due Time by Dom Paschal Scotti Catholic University of America Press 2006 69 95 is a study of Wilfred Ward and the *Dublin Review* perhaps the leading Catholic journal in the English speaking world Robert G Lowery *Irish Literary Supplement* Wilfrid Ward would have good reason to be pleased with this magnificently written and informative examination of his tenure 1906-16 as editor of the *Dublin Review* the leading Catholic journal in the British Isles After two superb

chapters on the earlier life of Ward and the previous history of the journal the author carefully studies its contents in seven chapters extensive excerpts being provided from many of the articles The editing of the book is flawless and the work of

Women Against the Vote Julia Bush, 2007-10-04 British women who resisted their own enfranchisement were ridiculed by the suffragists and have since been neglected by historians Yet these women together with the millions whose indifference reinforced the opposition case claimed to form a majority of the female public on the eve of the First World War By 1914 the organised antis rivalled the suffragists in numbers though not in terms of publicity seeking activism The National League for Opposing Woman Suffrage was dominated by the self consciously masculine leadership of Lord Cromer and Lord Curzon but also heavily dependent upon an impressive cadre of women leaders and a mostly female membership *Women Against the Vote* looks at three overlapping groups of women maternal reformers women writers and imperialist ladies These women are then followed into action as campaigners in their own right as well as supporters of anti suffrage men Collaboration between the sexes was not always straightforward even within a movement dedicated to separate and complementary gender roles As the anti suffrage women pursued their own varied social and political agendas they demonstrated their affinity with the mainstream social conservatism of the British women s movement The rediscovered history of female anti suffragism provides new perspectives on the campaigns both for and against the vote It also makes an important contribution to the wider history of women s social and political activism in late nineteenth century and early twentieth century Britain

Mothers of a New World Seth Koven, Sonya Michel, 2013-10-31 Historians of Australia Germany Great Britain Sweden and the United States provide a sweeping view of the scope of women s work and make comparisons across societies and over time

Mrs Oliphant, "a Fiction to Herself" Elisabeth Jay, 1995 As an expatriate Scots woman Mrs Margaret Oliphant 1828 97 started her prolific and accomplished writing career at three removes from the centre of Victorian literary life Widowed early and left with not only her own children but two brothers a nephew and two nieces to support she became keenly aware of the discrepancy between society s assumptions about woman s role and her own position as a female breadwinner in the male dominated world of nineteenth century publishing Out of the contrast between her wryly ironic view of life and the conventions of Victorian fiction came the disconcerting questioning of accepted ideologies of the family religious orthodoxy and a woman s place in society that characterizes her writing Mrs Oliphant *A Fiction to Herself* paints an often surprising picture of the professional Victorian woman writer By choosing to interweave the life and the work of Mrs Oliphant Elisabeth Jay s lucid and comprehensive study raises for consideration the way in which a particular woman writer perceived her own life and the wider question of whether women writers have been well served by the mythological structures of male biography Elisabeth Jay has drawn upon Oliphant s wide ranging writing in numerous modes to give a comprehensive and often surprising portrait of the professional Victorian woman writer This study of Oliphant s career as a professional Victorian writer of her critical and intellectual interests and the extraordinary way in which she managed fiction and

journalism over her career will cast a new light on the period Elaine Showalter Professor of English Princeton University

Rediscovering Oscar Wilde Constantin-George Sandulescu, 1994 In the same way that students of Shakespeare discuss their Supreme Quartet of plays so Irish Studies has its own quartet of writers Yeats Joyce Beckett and Wilde whose fame is outstanding and worldwide The inclusion of Wilde in the quartet may surprise some but it is an incontrovertible fact that scholars are coming to appreciate Wilde's importance as a major influence on 20th century literature Over the past years conferences on all four members of this Irish quartet have been organized by the Princess Grace Irish Library of Monaco the proceedings of each being published in this series the most recent on Wilde in 1993 This collection of papers given at that conference covers every aspect of Wilde's oeuvre not only considering his plays poetry and novels but his family his influence on writers both in English such as Joyce and Stoppard and in other languages including Marti Dario Borges and Lispector How influential and far reaching he has become can be seen by the nationalities of those who attended the conference and contributed papers Antonio Ballesteros Gonzalez Mariano Baselga Pia Brinzeu Edward Burns Richard Allen Cave Davis Coakley Jean M Ellis D Allessandro Masolino D Amico Lawrence Danson Denis Donoghue Joseph Donoghue Irene Eynat Confino Michael Patrick Gillespie Robert Gordon Warwick Gould Merlin Holland Joel H Kaplan Patricia Kellogg Dennis Melissa Knox Jacques de Langlade Donald Lawler Jerusha McCormack Bart J Moore Gilbert Isobel Murray Sylvia Ostermann Norman Page Kerry Powell Maria Pilar Pulido Peter Raby Gerd Rohmann Roy Rosenstein Neil Sammells Ronald Schuchard Theorharis Constantine Theoharis Deirdre Toomey Emmaneul Vernadakis and Marie Noelle Zeender This is the eighth volume in the Princess Grace Irish Library Series *English Literature in Transition, 1880-1920*, 1994 Writers H - Z. Daniel Lane Kirkpatrick, 1991 "Every Woman is a Nurse" Jennifer J. Fenne, 2001 *Journal of Evolutionary Psychology*, 1994 **Lives of Victorian Political Figures III.: Millicent Garrett Fawcett**, 2008 **Biographical Encyclopedia of British Idealism** William Sweet, 2010-07-08 Often regarded as an aberrant phase in the history of late 19th and early 20th century philosophy British Idealism provoked a wide range of attacks and replies from all the major figures of the time such as Sidgwick Dewey Broad and Russell This work reflects the shifting intellectual boundaries of British Thought between 1860 and 1920 **Oscar Wilde's Profession** Josephine M. Guy, Ian Small, 2000 A materialist account of Wilde's career as a writer Oscar Wilde's Profession contests three widely held assumptions about his success that there is a clear distinction between his life as a journalist and his artistic celebrity that he was an aesthetic purist in his attitude towards his own books and that his career was driven by an oppositional sexual or nationalist politics The authors bring together evidence from the publishing trade from Wilde's contracts and correspondence with publishers and from documentation about his earnings particularly the plays to show that he always worked for money but that he achieved far less financial success than is usually thought Far from subverting the nascent consumerism of his time he was thoroughly immersed in its values in the commodification of culture in which books became product At the same time Oscar Wilde's Profession provides a uniquely

detailed account of Wilde's processes of composition springing from the re-examination of his writing practice currently being undertaken in the Oxford English Texts edition of his complete work it surveys his writing practices across the whole of the oeuvre and radically reinterprets the significance of his revision and plagiarism **A Genius for Letters** Robin Myers, Michael Harris, Michael H. Harris, 1995 Presents nine essays on the history of the book trade focusing on booksellers in various eras in Britain and Italy Looks at booksellers place at the center of the manufacture and distribution of books and their role in shaping readers tastes and laying the foundation of commercial publishing Annotation copyright by Book News Inc Portland OR
