Locating Your Model and Serial Numbers

The model and serial numbers are essential to find correct MTD® operator manual for your outdoor power equipment. Once you know these numbers, you can use it for operator's manual download.

What should my model and serial number look like?

MTD's current (1997 and later) model and serial numbers are generally 11 characters in length.

Where do I find the model and serial number tags?

Identification tags are located in areas unlikely to need replacement - even after years of use. For most of our power equipment, these tags are approximately 2" x 3" in size. They also have the MTD product's name, address and customer service phone number listed across the bottom.

Walk-Behind Mowers

Walk-behind model and serial number plate is located on the rear left side of the deck. **Model number will begin with 11 or 12**

Ride-On Mowers
