Muffled Shots A Year On The Dmz:

Muffled Shots William Roskey, 2000-12-12 The linecrossers came from North Korea hard men highly trained in assassinations hit and run commando raids and sabotage The soldiers sent to stop them were young Americans stationed along the 151 mile long DMZ It was 1967 and for Team Delta the war was not in Vietnam but on a windswept hill in South Korea **Muffled Shots** William A. Roskey, 1986 **Parameters** ,1993 **A Young Soldier's Memoirs: My One Year**

Growing Up in 1965 Korea Julio A. Martinez, 2010-11-18 The pages of this book vividly conjure up the sights and smells and sounds of Martinez's adventures in Korea He enthusiastically spent every free moment traveling everywhere taking hundreds of photographs teaching himself to speak read and write the language Nothing escaped his youthful eyes from ancient temples to rice planting and harvesting to little known facets of the country's rich 5 000 year old culture His exuberance with each of his discoveries is faithfully recorded as are the familiar things we all felt homesickness and fear camaraderie and purpose If you want to see the Korea of forty five years ago through the bright eyes of a nineteen year old soldier from Texas with a truly remarkable memory for every detail this is the best way to do it William Roskey Author of **MUFFLED SHOTS A Year on the DMZ** **Small Press Record of Books in Print** Len Fulton, 1987 *Acts and Shadows* Philip K. Jason, 2000 The imaginative literature of the Vietnam War participates both overtly and covertly in a struggle for national memory First generation Vietnam War literature focusing on representations of combat and life in the battlefield strove to give testimony to write history Later writings in their range of genre and style investigate and interrogate the very meaning of war To reflect these two stages Philip Jason divides his newest book of literary criticism into two sections acts and shadows In Acts Jason provides formal and cultural readings of combat narratives by such authors as James Webb Larry Heinemann and Joe Haldeman and explores the meaning of authenticity as applied to Vietnam War texts Shadows looks both forward and backward from the combat zone challenging the parameters of what we define as Vietnam War literature
