Muhammad And The People Of The Book:

Muhammad and the People of the Book Sahaja Carimokam, 2010-09-17 Muhammad and the People of Book by Sahaja Carimokam asks the question what was the nature of Muhammad's relationship to non Muslims particularly Jews and Christians and how did it change over time This work is based on a chronological reading of the chapters of the Qur'an supplemented with Muslim commentary literature and biographical materials on the life of Muhammad Carimokam traces Muhammad's evolving religious viewpoint based on his borrowings of primarily Jewish and some Christian traditional apocryphal materials He shows how Muhammad's inaccurate and anachronistic rendition of Jewish traditional literature ensured that the Jews would reject him as a Prophet This rejection led to his ultimatum to the Jews early in the Medinan period of the Qur'an and culminated with his call to Jihad against all non Muslims including those Jews and Christians who refused to acknowledge his Prophethood The origins of takfir declaring Muslims to be non Muslims are considered Comparisons are made of moderate and traditional interpreters of the Qur'an Historical critical issues regarding the background provided by Muslim historical propaganda is considered in one chapter The book concludes with a controversial issue for the interpretation of Islamic law in the 21st century based on the actual canonical practices of Muhammad

Islām and the People of the Book Volumes 1-3 John Andrew Morrow, 2023-04-24 Islam and the People of the Book features three dozen scholarly studies on the treaties that the Prophet Muhammad concluded with Jewish Samaritan Christian and Zoroastrian communities along with translations of Six Covenants of the Prophet in over a dozen languages The combined effort of over forty five academics intellectuals and translators from around the world this work powerfully confirms the conclusions drawn by Dr John Andrew Morrow in his critically acclaimed book on The Covenants of the Prophet Muhammad with the Christians of the World offers unprecedented insight into the original intent of the Messenger of God and sheds light on the pluralistic nature of the constitutional state that he created The People of the Book and the People of the Dubious Book (Penerbit USM) Muhammad Azizan Sabjan, 2008 The question of the People of the Book Ahl al Kit b has long been of central significance to Islam and later to the study of comparative religion It becomes more crucial when Ab al Fath Muhammad Abd al Kar m al Shahrast n d 548 1153 develops another category known as Man Lahu Shubhat Kit b those who possess doubtful sacred scrolls or Ahl Shubhat Kit b the People of a Dubious Book The present book thus is of importance as it highlights the nature of the People of the Book and the People of a Dubious Book as understood in the Qur n and Islamic religious tradition The discussion is carried out both by analyzing Islam as the only genuinely revealed religion as well as by addressing various Muslim scholars attitudes and responses to the reality and nature of the People of the Book and the People of a Dubious Book apropos the Qur n and the Islamic religious tradition Evaluation of the nature of the People of a Dubious Book as exclusively developed by al Shahrast n is also discussed It points out how he identifies these groups and how he treats them accordingly in his magnum opus al Milal wa al Nihal It is hoped that this book will provide a preliminary yet clear understanding of this concept which hopefully can deepen our knowledge and enhance our perspective on the various delineations of the People of the Book and the People of a Dubious Book employed by Muslim scholars This will eventually widen our sphere of the understanding of religious issues and any misunderstanding or narrowed perception of other religious traditions could be avoided *Muhammad Rasulullah and the People of the Book* All Ma Dr S.
