Muktifauj F. Booth Tucker, 2018-02-03 Excerpt from Muktifauj Or Forty Years With the Salvation Army in India and Ceylon The Salvation Army in India has followed a path differing from that of other workers in this vast Mission Field There has been no desire whatever in doing so to rectify the plans or policies pursued by others but we have believed that our own path was the most direct and that in choosing it we were guided by God Certainly there was no idea that our path would be an easier one Looking back now on a period of forty one years we are able to realize that we have indeed been following the Pillar Of Fire by night and of Cloud by day Not one promise has failed Of fulfilment If we had to go over the ground again there is little in principle that we Should propose to alter and we think that we may humbly Claim that the seal of God s approval has rested upon our labours True we have made some mistakes which a richer experience has enabled us to rectify We have also spent some time in reconnoitring some highways and byways which proved to be fruitless and unprofitable But we think that apart altogether from the bunches of grapes of Eshcol and other fruits of this goodly land which we are able to present to our readers in these pages we can Claim to have given a general impetus to Missionary Work in India and to have helped to bridge the gulf which divides India from Christ for other feet besides our Own When we landed in Bombay a leading Christian paper had recently stated that some of their readers had asked them to give an account of existing revival work in India The Editor mourned that he could not report what so far as he was aware did not then exist There was an atmosphere Of depression resting upon the Indian Mission field About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works Whitaker's Cumulative Book List, 1924 **MUKTIFAUJ F.
