## **Mental Health Tips Discount Open Now:**

Today's Youth and Mental Health Soheila Pashang, Nazilla Khanlou, Jennifer Clarke, 2018-03-01 This book focuses on the social and intersectional determinants of mental health among youth. The innovative and cutting edge text arises out of multidisciplinary fields of academic researchers, policy makers, practitioners, artists and youth. Contributions from Canada, Germany, Portugal, South Korea, Burkina Faso, Afghanistan and Jamaica address the complexities and the opportunities for youth across contexts. Each chapter entails an introduction to the topic, literature review and research findings, discussion and implications in regard to research policy and practice. A unique aspect of the book is the inclusion of a critical response to each chapter's content from diverse stakeholders such as policy makers, front line workers, practitioners, community activists, artists and youth. The book is a critical and current contribution to exploring youth mental health and specifically the ways in which youth learn, live and resist in a world around them. Topics examined include youth social engagement, civic integration and political participation at multiple local, regional and transnational levels. *Mental Health and Wellbeing in the Workplace* Gill Hasson, Donna Butler, 2020-04-09 HIGHLY COMMENDED HR MANAGEMENT BUSINESS BOOK AWARDS 2021 Provides guidance for both employers and staff on promoting positive mental health and supporting those experiencing mental ill health in the workplace. The importance of good mental health and wellbeing in the workplace is a subject of increased public awareness and governmental attention. The Department of Health advises that one in four people will experience a mental health issue at some point in their lives. Although a number of recent developments and initiatives have raised the profile of this crucial issue, employers are experiencing challenges in promoting the mental health and wellbeing of their employees. *Mental Health Wellbeing in the Workplace* contains expert guidance for improving mental health and supporting those experiencing mental ill health. This comprehensive book addresses the range of issues surrounding mental health and wellbeing in work environments, providing all involved with informative and practical assistance. Authors Gill Hasson and Donna Butler examine changing workplace environment for improved wellbeing, shifting employer and employee attitudes on mental health, possible solutions to current and future challenges and more. Detailed real world case studies illustrate a variety of associated concerns from both employer and employee perspectives. This important guide explains why understanding mental health is important and its impact on businesses and employees. Discusses why and how to promote mental health in the workplace and the importance of having an effective wellbeing strategy. Provides guidance on managing staff experiencing mental ill health. Addresses dealing with employee stress and anxiety. Features resources for further support if experiencing mental health issues. *Mental Health Wellbeing in the Workplace* is a valuable resource for those in the workplace wanting to look after their physical and mental wellbeing and those looking for guidance in managing staff with mental health issues. Child and Adolescent Mental Health Cathy Laver-Bradbury, Margaret J.J. Thompson, Christopher Gale, Christine M. Hooper, 2021-05-12 This textbook provides an overview of child and adolescent mental health. The text

covers all core aspects on the subject from the importance of knowing why mental health in children is important to how to assess formulate and treat a variety of presentations seen in children and young people Beginning with an overview of conditions and the background to emotional and behavioural problems the book examines the different models and tools used to assess and treat children and young people and provides an outline of the practitioners working to help this population Chapters consider the many diverse identities and groups within the population addressing specific problems encountered in children young people and their families from different cultural backgrounds This revised edition addresses issues of current public debate such as gender identity and the role of social media in children s and young people s development and behaviour Featuring authors from a variety of clinical and research backgrounds this fully revised third edition is an important resource for all professionals working with children young people and their families including student and practitioner psychiatrists clinical psychologists mental health nurses and social care specialists
