The Ridiculously Simple Guide to Apple Services Scott La Counte, 2019-09-20 It used to be a few times a year Apple would take the stage and announce something that everyone's head exploded over The iPhone The iPad The Apple Watch The iPod That still happens today but Apple also is well aware of the reality most people don't upgrade to new hardware every year How does a company make money when that happens In a word services In the past few years especially in 2019 Apple announced several services things people would opt into to pay for monthly It was a way to continue making money even when people were not buying hardware For it to work Apple knew it had to be good They couldn't just offer a subpar service and expect people to pay because it said Apple It had to be good And it is This book will walk you through those services and show you how to get the most out of them [iPhone 17 Pro Max User Guide](#) SMART FLOW GUIDES, 2025-09-30 Discover the Full Power of Your iPhone 17 Pro Max Made Simple The iPhone 17 Pro Max isn't just a phone it's a powerhouse of hidden features time saving tricks and advanced tools designed to make your everyday life easier faster and more connected But here's the truth most users only scratch the surface of what this device can do That's where this guide comes in Written with clarity and real world practicality iPhone 17 Pro Max User Guide takes you by the hand and walks you through every step from the basics of setup and personalization to the latest iOS 26 upgrades that redefine what an iPhone can be Whether you're completely new to Apple or a seasoned user who wants to stay ahead of the curve this guide reveals how to unlock features most people never discover Inside you'll learn how to Set up your iPhone 17 Pro Max the right way for maximum performance and security Master network Bluetooth and battery settings so your phone works when you need it most Use the all new camera system like a pro stunning portraits 48MP photos and cinematic video made easy Explore iOS 26's smartest updates from customizable lock screens to next level Safari privacy Troubleshoot common problems quickly without a trip to the Apple Store This isn't a technical manual filled with jargon it's a step by step companion that speaks your language packed with smart shortcuts hidden settings and expert guidance that saves you time every single day Don't just use your iPhone Master it If you want to get the most out of Apple's most powerful smartphone this is the only guide you'll ever need Scroll up and grab your copy today and turn your iPhone 17 Pro Max into the smart assistant productivity tool and camera powerhouse it was meant to be [AI Business for Everyone](#) Michael T. Murphy, 2025-10-22 AI income strategies that actually work for YOUR life This 1 800 page manual guide delivers hyper personalized passive income roadmaps for 15 demographics parents retirees freelancers everyone With 2 100 ready to use prompts case studies exposing costly pitfalls and aggressive 30 day action checklists you'll build your 1 000 monthly automated income while others just read about AI While others debate whether AI will take their jobs smart individuals across every demographic are quietly building automated income streams generating thousands monthly This isn't another generic make money with AI guide assuming everyone's a tech savvy twenty something This is the first truly democratized roadmap to AI wealth crafted for YOUR specific

situation Whether you're a stay-at-home parent squeezing work between school runs, a retiree navigating technology, a burned-out freelancer seeking leverage, or an influencer fighting algorithm changes, this 1,800-page manual guide delivers hyper-personalized strategies for your unique circumstances. Each of fifteen demographic-focused chapters weaponizes your specific advantages and turns perceived limitations into competitive edges. What sets this guide apart is relentless practicality. This isn't theoretical exploration; it's a bootcamp. Every chapter demands action through implementation checklists leaving zero room for procrastination. You'll launch micro-businesses during naptime, automate client work during lunch breaks, and build passive income streams aligned with your lifestyle constraints. At its heart lies an arsenal of 2,100 battle-tested prompts categorized by industry and demographic needs. These aren't generic templates; they're precision-engineered tools transforming ChatGPT and Claude into your personal workforce. From healthcare practitioners needing HIPAA-compliant content to pet entrepreneurs dominating Instagram, every prompt delivers immediate monetizable results. Through detailed case studies, you'll witness actual people, not gurus, building sustainable AI businesses. Meet the seventy-year-old launching an AI consulting firm, the exhausted mom automating her way to 3,000 monthly, the weekend hobbyist whose Chrome extension generates 5,000 monthly. Crucially, you'll learn their failures and costly mistakes too. This isn't success theater; it's unvarnished truth about building AI income. Every chapter follows an aggressive thirty-day timeline transforming overwhelming possibilities into daily actions: Week one, tool setup and niche selection; Week two, minimum viable product; Week three, testing and refinement; Week four, launch and scale. The structure pushes you from zero to revenue through forced accountability and relentless momentum. Specialized sections address challenges facing regulated industries and creative professionals. Healthcare practitioners monetize expertise while maintaining ethical boundaries. Artists discover how AI enhances rather than replaces creativity. Educators transform teaching skills into automated course empires. Small business owners multiply revenue without multiplying headcount. This isn't about replacing human creativity with artificial intelligence. It's about amplifying existing advantages through strategic automation. The book teaches you to identify unfair advantages, whether life experience, professional network, or availability during odd hours, and systematically convert them into income-generating systems working while you sleep, parent, travel, or pursue passions. The comprehensive prompt library eliminates the learning curve, allowing immediate implementation. Action checklists ensure you're not just reading but doing. Real-world examples show both spectacular wins and cautionary tales, preparing you for every scenario. Join thousands discovering the AI gold rush isn't just for Silicon Valley insiders. Your demographic isn't a limitation; it's your secret weapon in the 72-billion AI economy. Stop watching. Start building. Your automated income stream awaits.
