Retail Marketing
 Sarah Montano, 2025-11-03 Retail Marketing offers an up to date and accessible approach that balances the key theories with real world industry practice to show how retailers are operating in today's complex business environment. It covers essential topics of retail marketing and management beginning with a history of retailing practices to understand the background behind retail's position within society. It then moves on to recent innovations and trends that are leading the field today. Supported by international examples throughout the textbook, also examines topics such as strategy, customer experience, supply chains and merchandising to ensure students gain an understanding of the whole retail process. Written by the BBC's retail expert Sarah Montano, it also covers important discussions of ethics in retailing, sustainability considerations as well as multi-channel methods including the combined use of physical and digital channels in phygital retail. Real world examples from Cadbury, Tiffany and Co, Wilko and H M, Ginza Japan and vignettes from industry professionals and customers ensure students put their understanding of the theory into practice. Retail Marketing includes in-text learning features such as learning outcomes, a glossary and exercise questions. It is supported by online resources of PowerPoint slides, multiple choice questions, videos and interactive diagrams. This textbook is ideal for postgraduate students taking modules on Retail Marketing as part of their Retail or Marketing degrees.

Affected Cara Wrigley, Karla Straker, 2018-05-17 How can you create meaningful connections with customers in the digital space? The rapid emergence of new technologies has revolutionized the way companies build relationships and interact with their customers. Today it's more important than ever to have an emotional understanding of customers and how they feel about a product, service or business, even when your primary interactions are via digital channels. *Affected* goes beyond influencing behaviors to understanding cognition and emotion as a way to better connect with customers in the digital space. In it, Wrigley and Straker offer a new approach, one that examines channel relationships and useful concepts for clarifying and refining the emotional meaning behind company strategy and their relationship to corresponding channels. Using case study examples from and over a decade of primary research in the area, they discuss the process and impact of such emotionally aware channel designs. Spanning entrepreneurial start-up techniques of wunderkind artist Cj Hendry through to the lucrative retail sector of luxury brand Burberry, this seminal book offers a multi-channel design approach that can show companies how to select design and maintain digital engagements based on their strategy and industry needs. Shows businesses how they can better understand and engage with customers digitally. Demonstrates how to gain competitive advantage by integrating design methods into corporate strategy. Provides multi-channel approaches for how businesses can select design and maintain digital engagements. Establishes a clear framework for analysing and applying the right strategy for your digital engagement. Connecting and engaging with customers is pivotal to business success, but in the digital space the old methods just won't cut it. With *Affected* you'll find the tools and techniques you need to find your customers where they are.
